Front: 05-03468 Rear: 05-03469 PA-18, PA-19 STC
Heater Tanks - Front.........05-03468 ......$404.00
Heater tanks - Rear..........05-03469 ......$372.00

PIPER DOOR HINGE CLEVIS PINS
Due to normal wear and lack of lube, the door hinge clevis pins should be replaced from time to time to maintain the proper operation of the doors. The set includes 2 clevis pins, 2 thick washers, 2 thin washers, and 2 cotter keys. All the hardware is FAA approved for all Piper aircraft.

PIPER DOOR HINGE EYEBOLT SET
The eyebolts are probably the most neglected parts on the plane. They hardly ever get lubricated and due to their exposure to the elements, rust in the pivot point can prevent the door from closing properly and should be replaced from time to time as they wear. The set contains two of the proper eyebolts and detailed installation instructions. The hardware is FAA approved for all Piper aircraft.

FOLDING JUMP SEATS
Folding Jump Seats - 170, 172, 172S, 175, 180, 180K, 182, 182R, 185, A185F STC/PMA

Seat Track Tie Downs - Aircraft equipped with Cessna or McFarlane Seat rails.
P/N 05-03467 .................$117.75

BUSHING WITH RETAINING RING FOR PIPER AIRCRAFT
COWL BUSHING R-RING MC69790-00 - Material that outlasts the original nylon or glass filled teflon materials. Used on most Piper Cherokee models. Includes the retaining ring (snap ring)
P/N 05-01764 ..................$16.90
COWL PLATE ASSEMBLY MC69791-000 - Stainless steel mounting plate with MC69791-000 teflon glass bushing and MC484-840 retaining ring. Upper cowl retaining part for most Piper Cherokee models.
P/N 05-04476...............$32.75

PIPER DOOR LATCH CLEVIS PIN
Restore solid latching of the doors to the fuselage. Due to normal wear and lack of lube, the door latch clevis pin should be replaced from time to time to maintain the proper operation of the door. The set includes 1 clevis pin and 1 cotter key. All the hardware is FAA approved for all Piper aircraft.
P/N 05-04644 .................$8.90

PIPER ENGINE BAFFLES
See www.aircraftsprecure.com for part numbers and prices.

PIPER CARRIER DOOR AND OVERHEAD TRIM REPLACEMENT HANDLES
Piper no longer produces the trim handle, and an estimated 10% of 31,000 Pipers on the registry which utilize their handles. The OEM handles are a very weak link in the entire door assembly. Everything downstream of the handle is pretty secure. Therefore, they have improved the handle and are SIC’d and PMA’d for certified aircraft. Please call or visit our website for model eligibility. Each replacement handle is sold as a complete assembly and everything required to complete the installation.

Piper Cabin Door Replacement Handle .............P/N 05-04550 ..........$325.00
Piper overhead Trim Replacement Handle ......P/N 05-04551 ..........$326.00
