PIG® LIGHT WEIGHT OIL
ONLY ABSORBENTS
Hangs anywhere, goes anywhere! Grab one Pad or the whole tablet to clean up an oil-based spill in any corner of the shop. Durable PIG® Oil-Only Mat quickly soaks up gas and oil but won’t waste absorbency on water like rags or floor sweep! • Safely absorbs and retains oils and oil-based liquids—including lubricants and fuels—which actually repel water. • Fluids clean up coarser, stay dry longer. • Eight layers of 100% polypropylene are thermally bonded to make PIG® Mat the strongest mat on the market. • Won’t rip, fray or fall apart, even when saturated. • Dimple pattern quickly picks up spilled oil. • Magnetic back makes PIG® Mat safe and easy to clean up. • Durable, flexible design lets you move it from one spill to another. Prices Subject to Change Without Notice

PIG® UNIVERSAL WEIGHT LIGHTWEIGHT ABSORBENTS
This Tablet goes anywhere to clean up drips, spills and splatters throughout the shop. Easier to use than floor sweep, so it reduces cleanup time. • With no damaging dust and grit to track around, the shop stays cleaner! • Eight layers of 100% polypropylene are thermally bonded to make PIG® Mat the strongest mat on the market; won’t rip, fray or fall apart, even when saturated. • Dimple pattern quickly picks up spilled oil. • Magnetic back makes PIG® Mat safe and easy to clean up. • Durable, flexible design lets you move it from one spill to another. • Durable aluminum case provides a rigid platform for holding the Tablet at your work area. • Convenient pop-up tabs let you hang the Tablet anywhere you need it.

PIG® MEDIUM WEIGHT UNIVERSAL ABSORBENTS
Clean up oil-based spills without wasting absorbency on water. Unlike rags or floor sweep, PIG® Water-Repellent Oil-Absorbing Mat quickly soaks up gas and oil but repels water from rain, slush, washdowns, ponds and sumps and more! • Safely absorbs and retains oils and oil-based liquids—including lubricants and fuels—which actually repel water. • Eight layers of 100% polypropylene are thermally bonded to make PIG® Mat the strongest mat on the market; won’t rip, fray or fall apart, even when saturated. • Dimple pattern quickly picks up spilled oil. • Magnetic back makes PIG® Mat safe and easy to clean up. • Durable, flexible design lets you move it from one spill to another. Prices Subject to Change Without Notice

PIG® UNIVERSAL LIGHTWEIGHT ABSORBENTS
Wrap flexible, self-contained PIG® Socks around tanks, drums, areas and puddles to halt the spread of liquid while the Socks’ thirsty absorbent filler absorbs it. Easy to use and clean up at messy floor sweep! • Moldable Socks surround equipment, drums or tanks and contain spills to keep them from spreading into walkways; also great for catching liquid that seeps under overhead doors. • Contains absorbent makes cleanup quick and easy. • Thirsty 100% polypropylene Mat filler; polypropylene is highly absorbent and chemical resistant. • Polypropylene skin is chemical and tear resistant; reduces dust and holds in liquid, even when full saturated. • Safely absorbs and retains oils, coolants, water, grease, gasoline, solvents, auto fluids, paint overspray, battery acid and most other liquids.

PIG® FORM-A-FUNNEL® DRAINING TOOLS
This handy tool guides oil around skid plates and cross members right into your oil drain for guaranteed no-mess oil changes! It quickly bends, holds and holds any shape, so you can customize the perfect channel to drain liquids without making a mess. • The Form-A-Funnel® is highly compatible with common automotive fluids and works in temperatures from -30°F to 450°F. • Edges can be molded around filters or drains to create a leakproof seal; tool stays in place for hands-free draining and channeling.

PIG® UNIVERSAL LIGHT WEIGHT ABSORBENT DRUM-TOP PADS
Eliminate messy drum storage areas without touching a mop or rag! Precut to fit on 55-gallon drums, PIG® Drum-Top Pads quickly absorb drips and overfills to help keep your shop clean and safe, so you can focus on repairing vehicles. • Precut with holes for 3/4” and 2” bungs to provide a perfect fit on steel 55-gallon drum tops • Eight layers of 100% polypropylene are thermally bonded to make PIG® Mat the strongest mat on the market; won’t rip, fray or fall apart, even when saturated. • High absorbent material traps liquids, so it won’t drip or leave behind fibers when you pick it up; spend less time collecting used absorbent between jobs.

PIG® MAGNETIC ROLL HOLDER
Keep your PIG® Mat within arm’s reach for easy access and hassle-free dispensing. The PIG® Magnetic Roll Holder attaches to any metal surface to keep Mat off the floor and close at hand. Holds entire 15” x 50’ PIG® Mat Roll (P/N 08-07320 or P/N 08-07315) for easy one-hand dispensing. Durable, powder-coated steel resists chips, rust and corrosion. • Powerful magnets keep Roll Holder firmly in place during dispensing; can be removed and relocated in seconds.14.5” Magnetic Roll Holder...

PIG® VERTICAL ROLL HOLDER
Dispense PIG® Mat the convenient way with this handy roll holder! Its free-standing, locking metal frame adjusts to accept a wide variety of rolls and is collapsible for compact storage. • Adjust center bar to change width: choose 16” to 29” to hold wide space and keep small rolls from sliding or 33” to maximize PIG® Mat supply • Folds for storage in tight spaces; locks open for hassle-free moving. • Tilted design positions Mat roll above roll support for enhanced stability when dispensing. • Durable painted steel resists rust and corrosion for long life.

PIG® TRAFFIC MAT® RUG
Help keep extreme-traffic walkways dry and safe with PIG® Traffic Mat® RUG. Heat-fused TRAFFIC MAT® Rug won’t rip or fray, even under wheeled traffic, so it’s perfect for ensuring heavy-use, splash-prone areas stay clean and injury free. • 100% polypropylene material is heat fused and needle punched for incredible durability; won’t ball or fray, even under wheeled traffic • Roll out to add traction and absorbency near parts washers, paint areas, work benches, doorways, service bays and high-traffic areas and retains oil, coolants, water, grease, gasoline, solvents, auto fluids, paint overspray, battery acid and most other liquids. • Exterior helps eliminate fire hazards; melts instead of burning if contacted by direct flame.

PIG® UNIVERSAL SPILL KIT
Respond to spills fast so you can get back to work. Our Hi-Viz Kit has the supplies you need for quick cleanups, and it’s so affordable you can stock every spill-prone spot in your shop or store one in each fleet vehicle for better liability protection! • Moldable socks surround equipment, drums or tanks and contain spills to keep them from spreading into walkways; also great for catching liquid that seeps under overhead doors • Mat Pads and Socks safely soak up and retain oil, coolants, water, grease, gasoline, solvents, auto fluids, paint overspray, battery acid and most other liquids • Bright nylon bag withstands any weather so you can find it when you need it; makes a great ‘insurance policy’ and simplifies reg compliance.

PIG® UNIVERSAL SKILL KIT
Help keep extreme-traffic walkways dry and safe with PIG® Traffic Mat® RUG. Heat-fused TRAFFIC MAT® Rug won’t rip or fray, even under wheeled traffic, so it’s perfect for ensuring heavy-use, splash-prone areas stay clean and injury free. • 100% polypropylene material is heat fused and needle punched for incredible durability; won’t ball or fray, even under wheeled traffic • Roll out to add traction and absorbency near parts washers, paint areas, work benches, doorways, service bays and high-traffic areas and retains oil, coolants, water, grease, gasoline, solvents, auto fluids, paint overspray, battery acid and most other liquids. • Exterior helps eliminate fire hazards; melts instead of burning if contacted by direct flame.
