POLISHES – CLEANERS

AERO GLOSS
Aero Gloss polish is used by 80% of the world’s major airlines. It is now available to the general aviation and experimental aircraft market. Removes turbine soot and exhaust stains from paints. It is an excellent plexiglass polish and can be applied with a power buffer. It takes 1-2 minutes and 3-4 hours to polish an average Cessna 182 with Aero Gloss. Pint........ STAR BRITE AIRCRAFT
This exceptional new polish cleans off dirt, stains and oxidation and restores the original bright color of the aircraft leaving a dazzling shine. StarBrite also cuts fuel consumption and boosts speed by reducing drag an amazing 5.5%. Contains no wax, oils or acids. 16 fl. oz. P/N 09-23900........ $23.50

SKYWASH DRYWASH & WAX
Cleans gently. StarBrite in one step, especially aluminum and chrome surfaces, is value preserving and leaves a clean and high-gloss surface. Can also be applied on damp surfaces. Protects long term against harsh environment, salt, UV rays and oxidation. Protects from corrosion by its environmentally friendly additives. Can be used on all painted or unpainted surfaces, does not attack metals, plastics, glass and plexiglass. Due to its high production safety, it also works particularly well on aluminum and chromium-plated surfaces. 16 oz. P/N 09-03805........ $12.95
1 Gallon .......... P/N 09-03806 ..............$69.95
5 Gallon........ P/N 09-03807 .............$249.95

TOP GUN ULTRA FINISH
One-step product. Lifts all aircraft finishes. Removes surface contamination and oxidizes through a unique chemical process, rather than using harsh abrasives. The coating left behind is not a wax, but an extremely hard and durable sealant. This affords superior long term protection (up to 12 months or longer), and easier cleaning of your finish. Once applied, bugs and corrosive elements remove more easily. Very effective in restoring clarity to plexiglass, windscreens, side windows, and lenses. 16 fl. oz. Made in the U.S.A. P/N 09-000197 .........$16.75

MET-ALL DETAIL POLISHING KIT
