**CRC 3-36™ MULTI PURPOSE LUBRICANT**

A corrosion inhibitor which helps prevent electrical and electronic malfunction caused by water penetration, humidity, condensation, or corrosion. Displaces moisture and inhibits corrosion. Appearance-Amber Liquid • Odor-Petroleum Distillate • Base Type-Petroleum • Flashpoint-144°F • Flammability-Flammable

P/N 09-39610 $9.99

**CRC ULTRA-LITE LUB**

Ultra-thin, non-staining lubricant that resists oil, dirt and dust build-up. Seals out moisture and prevents corrosion with protective film. Excellent for drying out electrical/electronic components. Appearance-Amber Liquid • Odor-Petroleum Base • Type-Petroleum Solvent • Flashpoint-172°F • Flammability-Flammable • Specific Gravity-0.8034 • Plastic Safe-No • Film Type-Ultra Thin and Dry • Film Thickness-0.05 Mil • Working Temp-40 to 300°F

11 oz. P/N 09-39602 $9.85

**CRC POWER LUBE™**

Multi-purpose lubricant that utilizes PTFE and extreme pressure additives. Appearance-Light Amber Liquid w/white precipitate • Odor-Wintergreen • Base Type-Petroleum Solvent • Flashpoint-<20°F • Flammability-Extremely Flammable

11 oz. P/N 09-39605 $11.75

**CRC HV SWITCHGEAR CLEANER & LUBRICANT**

One-step cleaner, lubricant and corrosion inhibitor for metering. It penetrates to coat contacts and provides corrosion protection on switchgear mechanisms. Power Jet spray nozzle with a Hot Line tool adapter. Recommended for use on metering, distribution and substation class switchgear contacts, including URD and Ovh applications.

P/N 09-02611 $24.95

**CRC QUICK DRY CONTACT CLEANER**

An alcohol-based precision cleaner that is 100% free of CFCs. Ideal for applications where lower flashpoint solvents may be used. It evaporates rapidly and completely and is harmless to most plastics. Applications include: • Switchgears • Circuit breakers • Telecommunication equipment • Fusible connecting devices • Motors • Generators • Relays • Terminals • Rheostats • Instrumentation • Communication equipment. Not for use on energized equipment. 16 oz. P/N 09-39620 $17.50

**CRC PAINT & DECAL REMOVER**

A solvent-based, high strength cleaner that effectively loosens and helps remove paint, adhesives and sealants. It helps protect equipment surfaces by eliminating damage caused by excessive scraping. Applications include: • Dissolves and aids removal of paints, lacquers, adhesives and varnish • Removes graffiti from metal and stone • Removes conventional and formed-in-place gaskets on motors, pumps & flanges. Not for use on energized equipment. 16 oz. P/N 09-39622 $12.50

**CRC SPRAY ADHESIVE**

A general purpose quick tack adhesive especially formulated to bond to many foils, plastics, papers, foams, metals, cardboards and cloths.

12 oz. P/N 09-02431 $16.85

**CRC MULTI-PURPOSE SUPER WHITE GREASE**

A high purity, NLGI Grade 2 multi-purpose white lithium grease. Provides superior lubrication & durability in any weather and most temperatures. Bright white in color. Ideal for when appearance is important. Applications: Assembly lube, bearings, break-in lubrication for bearings, cables, chains, chassis points, conveyor bearings, door tracks, garage door channels & openers, hinges, latches, machinery, open gears, overhead door tracks, roller bearings, sleeve bearings. 1 lb. P/N 09-02422 $7.50

**CRC GREEN FORCE MULTI-PURPOSE CLEANER**

Formulated to meet strict environmental requirements without sacrificing performance. It is a safe and versatile product for all of your cleaning needs.

P/N 09-02419 $33.85

**CRC GREEN FORCE HEAVY DUTY CLEANER**

An environmentally preferable alternative to conventional water based solvent cleaners and degreasers. It quickly removes petroleum based soils such as grease, grime, and oil found in manufacturing environments.

P/N 09-02420 $43.50

**CRC GREEN FORCE GLASS & SURFACE CLEANER**

Ideally suited to clean soiled glass and other hard surfaces. It effectively cuts greasy films and soils, leaving surfaces sparkling clean. 32 oz. P/N 09-02421 $10.50 Gallon P/N 09-02422 $32.50

**AVIATION MAINTENANCE PRODUCTS**

A revolutionay alternative to 1,1,1 Trichloroethane and other chlorinated solvents. Cleaner and degreaser that effectively removes grease, oil, dirt and other contaminants from motors, parts and equipment. • Exhaust trails • Hinges • Antenna mounts • Static tubes • Wheel wells • Struts & tubes • Galley • Seat tracks • Cargo doors • Cargo tracks. Not for use on energized equipment. 20 oz. aerosol. P/N 09-39690 $24.99

Attention/Volatile Organic Compounds (VOCs) Government Regulations: Product cannot be purchased, sold or used in the states listed: CA

**AVIATION DEGREASER**

20 oz. aerosol. P/N 09-39690 $24.99

**CRC REMOVER**

A revolutionary alternative to 1,1,1 Trichloroethane and other chlorinated solvents. Cleaner and degreaser that effectively removes grease, oil, dirt and other contaminants from motors, parts and equipment. • Exhaust trails • Hinges • Antenna mounts • Static tubes • Wheel wells • Struts & tubes • Galley • Seat tracks • Cargo doors • Cargo tracks. Not for use on energized equipment. 20 oz. P/N 09-39642 $19.00

**CRC CORROSION SHIELD**

A long-term indoor and outdoor corrosion inhibitor for machined surfaces and assemblies subjected to long periods of storage or adverse conditions during shipment. Its firm, waxy film is highly resistant to humidity and salt spray and never becomes brittle. Petroleum solvents may be used to dilute the product to vary the film thickness or to remove it after application. Applications include: • Completed assemblies • Seat tracks • Chains and cables • Landing gear • Wheels • Faying surfaces • Air conditioning ducts • Lap joints • Skin panel edges • Fuselage • Landing gear and bilges • Emergency escape hatchs • Bulknocks • Entry and cargo doors. Not for use on energized equipment. 16 oz. P/N 09-39657 $15.50

**CRC CORROSION SHELL**

A long-term indoor and outdoor corrosion inhibitor for machined surfaces and assemblies subjected to long periods of storage or adverse conditions during shipment. Its firm, waxy film is highly resistant to humidity and salt spray and never becomes brittle. Petroleum solvents may be used to dilute the product to vary the film thickness or to remove it after application. Applications include: • Completed assemblies • Seat tracks • Chains and cables • Landing gear • Wheels • Faying surfaces • Air conditioning ducts • Lap joints • Skin panel edges • Fuselage • Landing gear and bilges • Emergency escape hatchs • Bulknocks • Entry and cargo doors. Not for use on energized equipment. 16 oz. P/N 09-39657 $13.95

**ISOPROPYL ALCOHOL - ULTRA PURE CLEANING SOLVENT**

A quick drying light-duty degreaser for use in industrial, electrical, electronic and aviation applications. Its 99% pure formula aggressively dissolves grease, dust, dirt, lint, oils and fluxes from most non-plastic surfaces. 12 oz. P/N 09-02423 $10.95

**CRC BATTERY CLEANER**

Water-soluble formula removes corrosion quickly and economically. Aids in breaking up deposits and restoring battery output and reduces voltage leakage due to contaminants. Assures ms battery current flow and promotes longer battery life. 11 oz. P/N 09-02424 $8.50

**CRC KNOCK’ER LOOSE PLUS PENETRATING SOLVENT**

A unique penetrant that immediately drops the temperature of the area in contact with the spray. The freeze shock action cracks rusted surfaces allowing it to reach deeper & work more effectively than other penetrants. 11.5 oz. P/N 09-02426 $9.90

**DRY GRAPHITE LUBE**

Ideal where a dry lubricant is required or where petroleum products must be avoided. Resists dirt, dust and oil build-up. Wide effective temperature range up to 850°F constant. 10 oz. P/N 09-02427 $4.50

**CRC WHITE LITHIUM GREASE**

Superior lubrication and durability in any weather or temperature. Protect for use as a break-in lubricant for bearings or as a general purpose lubricant and corrosion inhibitor for tools, machinery and equipment. 10 oz. P/N 09-02428 $11.95
