**INDUSTRIAL FABRIC SHEARS**

Wiss No. 20W heavy-duty shears, ideal for cutting fiberglass cloth and all fabrics. Hot drop-forged steel.

- Right Hand Shears
  - P/N 01-00397
  - Price: $28.60
- Left Hand Shears
  - P/N 01-00398
  - Price: $27.95

**FISKARS 0” PINKING SHEARS**

These orange handled pinking shears keep your projects from unraveling at the seams. Ergonomic handles give comfort and control, extended lower blade to help lift fabric while cutting. Adds functional pinking edge to fabric. Designed to prevent fabric fraying. Tested to ensure clean cutting even through multiple layers of cloth to the tip.

- P/N 12-02942
  - Price: $26.50

**OFFSET KEVLAR CUTTING SHEARS**

Although Kevlar has many advantages over conventional fiberglass weaves, it is very difficult to cut. Special scissors have been developed to facilitate cutting. These scissors have a wear-resistant coating which is metallurgically bonded to the steel substrate. The coating will not chip or peel off and can be sharpened.

- Model WR-10E-4 Shears
  - P/N 01-00341
  - Price: $78.50

**ECONOMY KEVLAR SCISSORS - GINGHER® Scissors**

- Cuts Kevlar® and other tough materials! Lightweight and maneuverable with superior ergonomic design. Requires much less effort than cutting manually. Short rapid strokes to prevent fabric fraying.
- We recommend saving one pair for only cutting Kevlar®, and keep a second pair for general use.

- P/N 01-00342
  - Price: $44.65

**QUICK GRIP BAR CLAMPS**

From the makers of Vise-Grip tools comes the amazing new Quick-Grip bar clamp. The unique pistol-grip handle lets woodworkers hold the clamp and adjust jaw pressure with just one hand. One finger unlocks the Quick-release lets woodworkers hold the clamp and adjust jaw pressure.

- P/N 12-02017
  - Price: $34.75

**CORRUPTED DATA**

**KETT KB-301 CORDLESS 18GA SHEAR**

High torque 2300 RPM motor lets you easily cut 18 gauge mild steel up to 10 gauge stainless at over 150”/minute. The swivel head gives you precise control as you make straight or contour cuts. The double-cut shearing action leaves a clean burr free edge and won’t warp or bend the piece. Extended run time NiCad battery recharges quickly and there’s room for a spare, and the charger unit, in the handy carrying case. Length: 12-3/4”; Weight: 7 lbs. The kit includes the KB-301 power shear, KB-301 14.4 volt NiCad High Performance battery, KB-303 battery charger and KB-304 carrying case.

- P/N 12-01158
  - Price: $199.85

**KETT KD440 14GA POWER SHEARS**

Cuts 14 gauge mild steel and most grades of stainless to 16 gauge. Cuts over 150 inches/minute, leaving a clean, flat sheet, ready to fabricate. Distortions are absorbed in an easily disposed of waste curl, leaving the sheet cool and free of burn, chips, and burrs. The cutting blades are finest high speed steel. (Also cuts sheet metal, Stainless and Plastics)

- P/N 12-00676
  - Price: $234.95

**KETT KD-446R PROFILE SHEARS**

Cuts profile and flat materials up to 18 gauge, spiral duct, wire mesh and many other materials. Can cut light curves at a radius of three inches. The blades are made of high quality steel, heat treated and precision ground. The motor is variable speed up to 2500 RPM and cuts up to 8 feet per minute.

Features:
- .5 amp pistol grip
- Replaceable A-2 tool steel shear blades
- These snips cuts C.R. mild steel 18 gauge and lighter, wire mesh to 18 gauge, spiral pipe, metal studs and corrugated metal

- Right Hand
  - P/N 12-02507
  - Price: $259.85
- Left Hand
  - P/N 12-02509
  - Price: $259.85

**CUSHIONED CABLE CLAMP (ADEL CLAMP) INSTALLATION PLIERS**

These special pliers allow for greatly simplified installation of single or multiple Adel type cushioned clamps. The pliers securely hold the aligned clamps in position, allowing for easy installation of securing hardware. Each kit includes special plier, alignment awl, and simple instructions.

- P/N 12-02017
  - Price: $34.75
