**3M™ PELTOR™ DIGITAL WORKTUNES**
Worktunes is a self-contained AM/FM noise attenuating headset (NRR 26dB) which provides hearing protection combined with an AM/FM radio to provide. Features include: Easy finger tip controls - 5 preset stations - Volume limited to a safe 82 dB level - Gel/Foam cushions - MP3 cord included - Peltor™ stainless steel spring arm headband provides even pressure all day. Wide, soft padded headband, flexible antenna. Quick and easy tuning and volume adjustments.
- P/N 12-02570 ........................................ $38.95

**3M™ PELTOR™ EARMUFFS**
The only muff that lets workers listen safely without removing their muff. When workers lift their muffs, they lower their protection. Now Peltor puts safe listening at your fingertips. Just push the button on the PTL muff and speech & sounds “outside” the muff cup can be heard “inside” - clearly and safely. After 30 seconds, the muff automatically returns to its full protection with an NRR of up to 26 dB. Listen again? Just push again. It’s that simple.
- P/N 11-04310 ........................................ $27.50

**3M PELTOR JUNIOR EARPLUGS**
Liquid foam ear cushions and adjustable stainless steel headband. Sized for junior and smaller adults. Features - NRR 22 dB rating - NRR allows range command to be heard for added safety. Designed and sized for youth and smaller adults. Liquid/Gel filled cushions. Comfortable for extended wear. Adjustable headband
- P/N 12-02845 ........................................ $91.25

- P/N 12-16110 ........................................ $16.55

**OPTIME 98**  - Over-the-Head Hp. NRR 25. Can be used for noise levels up to 98 dB. Color: Yellow and Black.
- P/N 12-02569 ........................................ $14.60

**OPTIME 95**  - Folding hearing protector. NRR 21. Can be used for noise levels up to 95 dB. Folding - Slim design. Color: Beige and Black.
- P/N 12-02570 ........................................ $18.50

**3M™ E-A-R™ EARPLUGS**

**E-A-R CLASSIC**  - * Most popular earplug in the world. NRR 29dB - The E-A-R™ Yellow color is your assurance of proven protection. Moisture resistant dermatologically safe foam is not irritating. Slow recovery PVC foam provides comfort with low pressure.
- P/N 09-02148 ........................................ $0.29

**CLASSIC™ PLUS**  - * Classic Plus are longer than Classic earplugs to fit deeper into the ear canal and provide a higher level of protection. Slow-recovery foam helps ensure comfort and minimize pressure. Bright yellow color provides a quick visual compliance check. Dermatologically safe foam is non-irritating, non-flammable, and moisture-resistant.
- P/N 09-02149 ........................................ $0.27

- P/N 09-02151 ........................................ $0.25

**3M™ PISTONZ™ EARPLUGS**  - No need to roll down. Biaxially-stiff stem for easy insertion, yet designed to flex sideways if impacted. Tips look like metal, yet provides ultra-soft feel for all day wear.
- P/N 12-02571 ........................................ $0.65
- P/N 12-02572 ........................................ $0.82

- P/N 09-02153 ........................................ $43.75

**DAVID CLARK DELUXE HEARING PROTECTOR**
The David Clark Deluxe Model Hearing Protector provides like no noise attenuation and optimum comfort. Features urethane covered ear seals, soft foam cushioned headband, military quality materials, finish and workmanship.
- P/N11-09205 ........................................ $38.95

**NOISEBUSTER ANR EARPLUGS**
Designed to reduce aircraft engine noise for airport ground support crews as well as aircraft maintenance and technical personnel, the NoiseBuster Active Noise Reduction (ANR) Safety Earmuff combines an ANSI-rated 26 NRR passive earmuff with active noise reduction electronics that deliver up to an additional 20 dB of low-frequency noise attenuation. Powered by a AA battery, the earmuff is resistant to water, moisture, contaminants, mechanical shock, and vibration. Perfect for users who do not require two-way communications capability but who can benefit from protection. Includes: * NoiseBuster ANR Safety Earmuff * One AA battery * 3.5 mm audio interface cable * Warranty - 6 months.
- P/N 11-07369 ........................................ $149.95
