**BANNERS – PITOT TUBE COVERS**

**AIRCRAFT FOR SALE BANNERS**

- Designed specifically for aircraft use, these banners slip right over your prop blades, moving in the breeze to attract attention but will not rub against painted surfaces. Each banner is 9” x 23”, made of heavyweight rubberized Nylon that repels weather and resists tearing. Sold as a set of 2.
- P/N 5412 .................................. $22.90

**PROPELLER MOUNTED BANNERS**

- Two 28” x 8”, white printing on red reinforced vinyl. Yellow, blue and white pennants, slides over prop, fastens with velcro. For Sale: P/N 13-06402 ......................... $29.75
- For Rent .................................. P/N 13-06635 ......................... $29.50

**FOR SALE PROP BANNER**

- Consists of three pieces. Each prop banner is 11” high x 22” long when mounted. Made of Red vinylyzed polyester with BOLD WHITE lettering. Unlike prop banners that are a sleeve which must be slipped over the prop blade only, these banners are split at the bottom and are held together with velcro. This allows the banner to be opened up and then wrapped around virtually ANY structural member of the aircraft.
- P/N 13-06014 ................................ $28.75

**AIRCRAFT SPRUCE PROPELLER CARD**

- These prop cards are great when displaying your aircraft at a fly-in or event. There’s room to fill in your personal information as well as large notes instructing onlookers to enjoy the views of your beautiful aircraft, but keep their hands off. They easily slide on and off the blades of your propeller. If you are organizing an event, there are affordable enough to pick up in bulk and pass them out to who attend.
- B-1/2”x11”. Semi-Gloss. P/N 13-12320 ........................................... $1.35

**PITOT TUBE COVERS**

**SLIP ON PITOT COVER**

**ROUND CESSNA PITOT COVER**

- This yellow urethane pitot cover fits round, high-wing Cessna pitot tubes. Grooved fitting releases air pressure as the barometer changes. P/N 5139 .......................................................... $7.95

**PIPER PITOT COVER**

- This pitot cover is designed to fit the blade style pitot commonly found on piper aircraft. Small vent hole prevents pressurizing system. P/N 5740 ........................................... $14.85

**DO NOT TOW STREAMER**

- 17” Streamer, attach with Velcro, Color international orange. P/N 13-02004 ........................................... $12.85

**ASA REMOVE BEFORE FLIGHT BANNER**

- A bright red heavy nylon banner that can be fastened to anything that needs removing before flight. Comes with a grommet and wire ring that can be attached to everything from gear pins to gust locks and pitot covers. Heavy duty vinyl is tear resistant. P/N 13-02380 ........................................... $6.75

**ASA PITOT TUBE COVERS**

- Fit snugly over standard aircraft pitot tubes, and are vented to avoid pressurizing the pitot static system. Critical to safe operations, the cover keeps dirt, contamination, and insects from entering the pitot tube. A “remove before flight” streamer hangs off the cover as a prominent preflight reminder to pilots. Molded in the United States, the cover uses a heavy duty plastic material. Pitot Tube Cover 5/8” (small) ........................................... $6.85
- (fits: Cessna 300/400 series, Citation & Conquest, Beech singles & twins, Piper Navajo & Cheyenne, Mooneys, Mitsubishi, Lear Jets & Cirrus) P/N 13-02376 ........................................... $6.85
