AERONAUTICAL CHART USER’S GUIDE

A critical reference tool for any navigator, the ninth edition of the Aeronautical Chart User’s Guide presents the most up-to-date information on charts adhering to Visual Flight Rule (VFR) and Instrument Flying Rule (IFR). Number of Pages: 80. Dimensions: 8.5 x 11 x 0.8 in. P/N 13-11595………………$9.95

VFR WALL PLANNING CHART

U.S. VFR Wall Planning Chart is designed for VFR preflight planning and provides aeronautical and topographic information of the contiguous U.S. The aeronautical information includes airports, radio aids to navigation, Class B airspace and special use airspace. The topographic information includes city tint, populated places, principal roads, drainage patterns and shaded relief. This chart, 59x36 inches flat, is updated annually. P/N 13-14786………………$8.95

CANADA FLIGHT SUPPLEMENT IFR CHART

The Canada Flight Supplement is a joint civil/military publication, it contains information on Canadian and North Atlantic aerodromes and is used as a reference for the planning and safe conduct of air operations. Features: General: Tables, legends and associated information. • Topographic: Flight procedures, • VFR • IFR • IFR. P/N 13-13137………………$18.55

FULL-COLOR CLOUD CHART

“Clouds: A Guide to the Sky” shows full-color photos of 30 different cloud formations, (with descriptions) and the weather associated with each. 25” x 37” on heavy stock. P/N 13-14758………………$5.95

TRI GUIDE THE COMPANION TO ELECTRONIC CHART NAVIGATION

Howie Keefe’s Tri Guide is the perfect companion to Electronic Chart Navigation. This guide addresses: Planning, Diversion, Orientation, Airport & VOR Decode (ID to Name) Plus Contact Frequency, Reservation Numbers and even Hotel & Motel Numbers. For use in U.S. Mainland Airspace. P/N 13-12653………………$27.95

SKYNAV AVIATION ATLAS

Getting to air shows on time all around the country requires compact charts that are always up-to-date without a lot of updating hassle. That’s why it was developed that thousands of pilots are enjoying every day. West Atlas………………P/N 13-08029………………$73.95
North Atlas………………P/N 13-08027………………$73.95
South Atlas………………P/N 13-08028………………$78.95
Northeast Atlas………………P/N 13-12126………………$59.00
Northwest Atlas………………P/N 13-12128………………$59.00
Southeast Atlas………………P/N 13-12127………………$57.50
Southwest Atlas………………P/N 13-12129………………$47.95
Bahamas Atlas………………P/N 13-12130………………$49.00
WAC Digest Aviation Charts………………P/N 13-15556………………$47.95

3-D AERONAUTICAL CHARTS

The precisely molded 3D shape allows pilots to see and feel the terrain shape and clearly understand how it relates to the airspace and flight. Pilots will value referencing this chart for flight planning, training, and as a general conversation piece, whether hung on a wall of an office, hangar, or home. This chart is made with a digital inkjet printing process on a rigid plastic film, which is then molded to a precise terrain model. Los Angeles………………P/N 13-00595………………$34.95
Southern Sierra Nevada………………P/N 13-00997………………$34.95
San Francisco / Tahoe………………P/N 13-00996………………$34.95
Glacier Bay, Alaska………………P/N 13-00998………………$34.95
Denver………………P/N 13-10006………………$34.95
Portland………………P/N 13-11714………………$34.95
Seattle………………P/N 13-11713………………$34.95

QUICK REFRESHER CHARTS

These Quick Refresher Charts provide a wealth of useful information that every pilot seems to forget over time. Available to “refresh” the pilot on IFR procedures & regulations, Weather info, VFR procedures & regulations, mountain flying, passenger info (the right seat), flying to Canada, and flying to the Bahamas. These charts are laminated for long life & fit right in your flight bag. Quick Refresher VFR………………P/N 13-40316………………$6.95
Quick Refresher Weather………………P/N 13-40416………………$6.95
Quick Refresher IFR………………P/N 13-40516………………$6.95
Quick Refresher Mtn. Flying………………P/N 13-00422………………$5.95
Quick Refresher The Right Seat………………P/N 13-00423………………$5.17

WEATHERCYCLER WEATHER KIT

This slide chart gives pilots easy-to-understand explanations of weather systems including highs, lows, cold fronts, & warm fronts. The chart shows various weather symbols and provides a guide to become very familiar with aviation weather maps. Laminated for long life. Includes instruction booklet & study guide. Size: 8.5” x 11”. P/N 13-29949………………$10.85
