THE GREAT ARCTIC AIR ADVENTURE
Take to the world’s northernmost skies and explore the planet’s “last inhabited place”-the enigmatic Arctic. The Great Arctic Air Adventure is the story of Seattle’s Mark Schoening and Doug DeVries, who piloted their de Havilland Beaver seaplanes around Canada via the famed Northwest Passage over six weeks battling sus- ceivable weather, frozen tundra and inaccessible terrain in one of the least populated places on earth, the pair builds a lasting bond and discovers that in the unyielding Arctic, adaptation is key.

MOUNTAIN FLIGHT
Mountain Flight, filmed in part in the Idaho Primitive Area, includes in-flight footage of some of the most beautiful, rugged and demanding mountain terrain in the U.S. It covers flight planning, accident causes, weather, density altitude, approaches, landings, depar- tures, and survival. The weather section includes time lapse sequences of thunderstorms, mountain waves, lenticular and rotor clouds. Graphics are used to clarify, explain and demonstrate the ground and flight procedures for safe operation in the mountains. Color, approximately 80 minutes.

TAILWHEEL: 201 BEYOND THE BASICS
Tailwheel: 201 goes beyond the tailwheel check-out, building on the tailwheel basics introduced in Damian’s first DVD, Tailwheel 101. Teaches advanced techniques from short field operations, to advanced slips, to precautionary off airport landings. Like Tailwheel: 101, this DVD includes ground school and in-flight instruction both inside and outside the cockpit. Whether you are new to the world of tailwheel flying or a seasoned aviator, Tailwheel: 201 will help you become a more proficient pilot.

PRIVATE PILOT COURSE
See into what happens on the ground portion of your FAA Private Pilot Practical Test, commonly referred to as the Checkride Oral. More than one hour of video, showing you a realistic enactment of a checkride oral conducted by an FAA designated pilot examiner and a student pilot.
P/N 13-15063 .................. $89.95

MOUNTAIN FLYING BIBLE REVISED
Learn the basic, intermediate and advanced techniques of mountain flying. Learn to anticipate how your airplane will perform in the mountains. Discover simple rules-of-thumb to enhance safety and simplify operations. Learn the weather information required for peace of mind and increased pleasure. 16 pages of color photos of back-country strips covering the approach, landing and takeoff procedures.
P/N 13-15150 .................. $69.95

TAILWHEEL 101
Tailwheel: 101 will help you get there. This video is the premiere study guide for all pilots wishing to get their tailwheel endorsement, or for any tailwheel pilot who’d like to learn a thing or two from the most widely recognized tailwheel expert in America, Damian DelGaizo. Ride along with Damian and his student Jill as she gets her tailwheel endorsement. Each ground segment is immediately followed by its real-world airplane demonstration to reinforce the material and make pre-flight study sessions easy and efficient.

ALASKA’S BUSH PILOTS THE REAL DEAL
The story is interlaced with in-depth and exciting interviews of these courageous pilots as they recall many different stories of their experiences in the remotest places. They tell stories about rescues of stranded fellow pilots, taking their families 40 miles from their already remote bush homes to go fishing at “a better spot” to encounters with vast herds of caribou and the huge bears. You will “fly” in the seat right next to these men in the cockpit and witness wingtip-to-wingtip aerial HD photography that Jim Oltersdorf shot during filming as he is known nationally for. Its about where they fly, how they fly and why they fly. If you’ve even known what excitement is, step aside, this one is going to blast you off your seat!
P/N 13-06937 .................. $18.95

BASIC AEROBATICS
Introduces the basic building blocks of aerobatics - spins, rolls and loops - with a wealth of in-cockpit and from-the-ground views of each maneuver. This video is indispensable to aid those considering a departure from straight and level. (54 min.) 6611A
