

Next Generation Interior Cleaner Complete

High-Performance Multi-Surface Cleaner

DESCRIPTION

Celeste® NG Interior Cleaner Complete is an aircraft approved, high-performance, multi-purpose cleaner that can be used throughout the aircraft to safely and effectively clean multi-soils leaving behind a clean, streak-free surface. NG Interior Cleaner Complete has been specially formulated to give the best cleaning results on multiple surfaces and soils while remaining non-reactive to all known fire retardant thermoplastics. It works as an effective glass cleaner, leather cleaner, carpet spot cleaner, and general purpose cleaner.
