

An Opportunity to Upgrade Your Cessna Citation Sovereign & Sovereign+ and Receive Free Batteries!

Program Details:

1. Purchase STC ST04366AT and Concorde RG® Series batteries for your 680 through your authorized Concorde distributor.
2. The first set of replacement batteries will be provided to you at no charge.
3. Contact Concorde with proof of installation of the STC, via a copy of the logbook entry, and invoice for the batteries you are replacing to redeem your free batteries.
4. Contact Customer Service to convert today: customer-service@concordebattery.com
5. This offer is valid for STC conversions completed by May 31, 2019. Be sure to take advantage of this opportunity!

- No part replacements
- Hazmat Exempt
- 100% recyclable – the green solution

Made in the U.S.A.

CONCORDE BATTERY CORPORATION

2009 San Bernardino Road | West Covina, CA 91790 USA
626-813-1234 | Fax 626-813-1235 | www.ConcordeBattery.com
ISO 9001 + AS9100 | Crafted for Quality in the U.S.A.

2 Each
RG-380E/53L, 53 Ah Higher Capacity
or RG-380E/60L, 48 Ah

STC provides for the installation of two Concorde RG-380E/53L or RG-380E/60L, fitted with temperature sensors TS-C1B, in place of the original equipment nickel cadmium batteries.

- 1) Install TS-C1B on each Concorde battery.
- 2) Aircraft fitted with Cessna Washer P/N 5538330-35 may require slight modification to washer in order to allow for proper fitment with the Concorde battery hold-down bar as detailed in the STC.
- 3) Batteries are drop-in replacements installed in accordance with the Cessna 680 Aircraft Maintenance Manual.

STC includes two TS-C1B temperature sensor kits (P/N 5-0121).
