MUSTANG INFLATABLE LIFE PRESERVERS

INFLATABLE BELT PACK PFD - The Inflatable Belt Pack PFD from Mustang Survival fits around the waist like a belt, staying out of the way until you pull the inflation cord. Redesigned to fit and feel better with a grind new look.

The ergonomic design conforms to the body to provide a secure and comfortable fit and is made with Mustang's neoprene Comfort Lining(TM) to reduce chafing when worn against the skin. The PFD operates by manual inflation, meaning it won't inflate unless you pull the inflation cord. Easy to wear and maintain, it inflates to provide 35lb buoyancy, more than twice the flotation of a traditional foam PFD. A great option for those looking for minimal bulk and wanting to control buoyancy, more than twice the flotation of a traditional foam PFD. Recommended for paddlers, paddleboarders, river fishermen and general recreational boaters.

P/N 13-17886 .......................... $122.75

MUSTANG INFLATABLE PFD REARMING KIT

Designed to rearm your Mustang inflatable after deployment. This is a 1F Automatic and 3F Manual Inflatable PFD Re-Arm Kit E.

P/N 13-20153 .......................... $36.50

The ergonomics and comfort of the Mustang PFD are maintained with the addition of neoprene and high-quality neoprene materials, ensuring a secure and comfortable fit.

CLOSED CELL NEOPRENE HOOD

BREATHABLE CONSTANT WEAR AVIATION COVERALL

The MA7348 Closed Cell Neoprene Hood offers increased protection against the elements when worn with Mustang Survival anti-exposure gear. Designed for easy integration with the MSD900, MSD901, MSD585, MAC200 and MAC500, the hood provides exceptional head and neck insulation and includes a lanyard to tether hood to suit, an adjustable mouth guard for protection from spray and a velcro attachment point for an emergency light. Sizes: N/A or Universal Colors: Red
