SURVIVAL KITS – FIRST AID KITS

CANADIAN-ALASKAN SURVIVOR PAK
Originally designed for pilots flying within Alaskan and Canadian airspace, the CA-20 offers protection against harsh climates in the event of an emergency. It contains over 150 medical and general supply items to help sustain two people for up to 14 days. The space saving design combined with its ample supply of food and water makes the CA-20 a popular choice on board fixed wing, rotor craft, and corporate jets. It’s also used extensively by Search & Rescue units! P/N 13-03596..............$462.00

EMERGENCY SURVIVAL KIT
Specially designed by a focus group, the ESK-02 makes it easy to be prepared for life’s surprises. Each kit contains over 40 medical and general supply items including a guidebook that offers survival tips and basic information. Designed to support one person for up to three days, the ESK-02 carries a five-year shelf life on food and water. Its affordable price makes it a great choice as a premium incentive item, corporate gift, or employee award. P/N 13-03606..............$34.50

THE TRAVELER KIT
The Traveler Kit - Personal Care Package is appreciated by everyone from busy executives to sports enthusiasts. It’s the perfect addition to any car as the “other spare” to have on hand for life’s unexpected moments. Designed to support one person for up to three days, it contains over 50 support items in a custom nylon carrying bag with reinforced straps. “The Traveler” is ready to go anywhere P/N 13-03607..............$65.75

FIRST AID ‘N TRAVEL KIT
Finally—a compact, complete travel unit for the person on the go! This kit fits perfectly in a purse, briefcase, or glove compartment, and is ready when you need it in first aid situations. This kit is very special because it’s the only one of its kind to include a 4 oz. sterile water packet along with a five-year shelf life. Ask us about using this kit for fundraisers or corporate promotions! We can customize the kit to include your company’s logo. P/N 13-03605..............$11.50

COCON SLEEPING BAG
The All Weather Pocket Size Sleeping Bag The Cocoon Sleeping Bag (84" x 36") provides personal protection from rain, wind, heat, and cold. It’s manufactured from extremely lightweight, flexible, space-age material, and retains up to 90% body heat in cold weather. It even deflects heat in hot climates and can be used to offset hypothermic reactions. The Cocoon is waterproof, reusable, and portable. Keep several on hand for the unexpected! P/N 13-03603..............$3.85

EMERGENCY WATER PACKETS
Mainstay™ Water Packets - All water is not created equal! Here at Survivor Industries we have spent years perfecting our Mainstay™ Water Packets. The final result is a portable product with a 5-year shelf life. Other Key Benefits: • U.S. Coast Guard approved • No Oxygen Transfer (in other words, no chance of bacterial contamination) • Pre-Measured Packets make the water easy to dispense, and potential for loss is minimized. If a packet is destroyed, only 4,224 ounces (125 ml) would be lost. • Easy to Transport – just 18 lbs. (8.17 kg) per case of 60 packets. • No special storage required - it can withstand temperatures from (-40°F to 210°F) (-40°C to 99°C) • Very Low Cost. • No Cups Needed! P/N 13-03599..............$16.75

THE WALLACE GUIDEBOOK
For Emergency Care & Survival - When you’re faced with a disaster, you can often face physical and psychological strain. It’s often hard to remember what to do in an emergency situation, and this is exactly why we’ve written the Wallace Guidebook. This book is specifically designed to present the basics of survival in an extremely easy-to-understand manner. This book discusses the following topics, plus many more: Choking, Heart Attack, CPR, Shock, Burns, Emotional Trauma, Bleeding, Fainting, Wounds, Broken Bones, Fractured Bones, Back Injury, Childbirth, Auto Breakdown, Temperature Extremes, and the 1st and 2nd Rules of Survival. It’s not fun to be in one of these situations, but having a book like this nearby gives you a better chance of a happy ending. P/N 13-03597..............$5.95

EGEAR 30 DAY LANTERN
The eGear™ Lantern is lightweight and can double as hanging light when globe is removed. Three 1.4W Nichia LEDs Up to 300 lumens on “high” setting 4-Mode electronic switch (press button) HIGH, MEDIUM, LOW & SOS-FLASHING. Amber LED Indicators show brightness levels. 30 days on ‘low’ mode, 3.5 days on “medium” mode, 32 hours on “high” mode, 15 days on SOS Flashing mode. Green LED indicator flashes on “off” mode to show lantern location in darkness. Removable globe provides forward area light. Rubberized housing enhances impact resistance. Built-in recessed hook at lantern base for hanging as Downlight (see image below). Water and impact resistant. P/N 11-10940..............$35.50
