PILOT FLASHLIGHTS

SUREFIRE G2X™ PRO
A polymer body version of the 6PX Pro, it features a high-efficiency LED—virtually immune to failure since there's no filament to burn out or break—that provides two light output levels: a brilliant, penetrating, perfectly pre-focused 200-lumen beam, and a 15-lumen low-output setting that lets you greatly extend the run time per set of batteries. An invaluable option when you find yourself miles from civilization. Press the tailcap switch for a momentary-on low, press further to click on constant-on low, return to off and press or click on again within two seconds for high. A poly-carbonate micro-textured reflector delivers a comparatively wide beam with generous peripheral light. ...P/N 13-10290 ............$69.95

SUREFIRE G2Z-MV COMBATLIGHT® FLASHLIGHT
Surefire's single-output G2Z™ Combatlight® with Max Vision™—designed and built specifically for tactical use—features a proprietary reflector that shapes the high-output LED's 650 lumens of light into a smooth, seamless beam, and Max Vision Beam™ optimized for your field of vision. With its 14 mm bezel, the compact G2Z is even smaller and lighter in weight than its predecessor, generates nearly twice the output, and has all of the same features for outstanding tactical performance. ...P/N 13-20653 ...........$109.00

SUREFIRE LITHIUM BATTERIES
Optimized for use in SureFire flashlights, SureFire lithium batteries pack a lot of power into a small package. And, unlike some other batteries SureFire high-performance lithium batteries boast a ten-year shelf life, which means they will be ready when you need them, every time. For all SureFire lithium battery powered lights,

AVEO THE AVIATOR FLASHLIGHT

FLIGHTLIGHT™ - PILOT LIGHT
A flashlight must have for every pilot's flight bag. In or out of the cockpit, this conventional, long-lasting, and durable flashlight serves as a great pilot companion. This 3-in-1 LED flashlight toggles between red, green, or white, depending on your cockpit needs. With an LED life of 100,000 hours, the included alkaline batteries can keep this flashlight illuminated for up to 17 hours in "red" mode, and 14 hours in "white" mode. Flightlight: ...P/N 13-01067 ............$17.95

PELICAN AVIATION LIGHTS
VERSABRITE
This is the world's brightest swivel head pocket flashlight. The adjustable head swivels 180 degrees, enabling the pilot to direct the beam where he needs it. It is water resistant and mounts directly on the adhesive pad of yoke chart holders. Powered Xenon laser beam spot beam, and comes standard with clear, red, and blue-green lenses. Clips easily on shirts, belts, and caps for hands free use. Comes with multi-use velcro fasteners and 2 AA batteries. The VERSABRITE! ...P/N 13-00561 .........$25.50 Versabrite mounting clips (1 top, 1 side mount)

WORKBRIGHT INSPECTION LIGHT
This shop light is perfect for places that a flashlight can't quite illuminate properly. It was originally designed as an inspection light, but has many other uses as well. It is powered through a USB connector, and can be used with a battery pack, wall adapter, computer, etc. ...P/N 12-04780 ...........$119.95

SUREFIRE E1B-MV BACKUP™ FLASHLIGHT
The sleek, ultra-compact E1B-MV was originally developed as a backup light for law enforcement professionals. This outstanding everyday-carry light sets itself apart from the rest of the Backup family with its broad, useful MaxVision Beam™, created by a special faceted reflector that shapes light that's perfect for close-range applications and maintaining situational awareness. ...P/N 13-20652 .........$199.00

SUREFIRE AVIATOR® DUAL-OUTPUT LED FLASHLIGHT
The ultra-compact, dual-output Aviator reinvents a classic SureFire design to provide a primary white LED and secondary colored LED in one sealed head, both focused into a useful beam with ample reach and surround light by a proprietary Total Internal Reflection (TIR) lens. Pull and twist Aviator's self-locking selector ring to choose to white or colored light, no filter required. Blue Light ...P/N 13-20654 ...........$269.00 Red Light ...P/N 13-20655 ...........$269.00

SUREFIRE P3X FURY® DUAL-OUTPUT LED FLASHLIGHT
The P3X Fury has a virtually failure-proof ultra-high-output LED that delivers your choice of either 1,000 blinking lumens of perfectly focused light or 15 lumens of useful light. The 1,000-lumen output — with peak beam of 22,000 candela — is enough for searching, signaling, or to overpower the dark-adapted vision of a threat. The 15-lumen output level is perfect for general work at close-to-medium distances and lets you greatly extend the flashlight's runtime on a set of three lithium 123A batteries. ...P/N 13-20656 .........$199.00

SUREFIRE P3X FURY® WITH INTELLIBEAM™ FLASHLIGHT
This innovative, automatically adjustable version of the original P3X Fury takes full advantage of the variable-output capability of one of SureFire's brightest and most popular LED flashlights. SureFire's proprietary IntelliBeam™ Technology—an intelligent sensor and microprocessor-based system—that continuously evaluates your environment and seamlessly adjusts light output, from 15 up to 1,000 lumens, based on the scope of your surroundings. Just press or click its tailcap switch to access this auto-adjusting mode, which delivers just the right amount of light output. ...P/N 13-20657 ............$229.00

SUREFIRE SIDEKICK RECHARGEABLE KEYCHAIN FLASHLIGHT
This ultra-compact, powerful LED illuminator was created so it could be carried and used by everyone. The rechargeable Sidekick was designed to attach to keys so it's always available and, most importantly, ready for everyday use and emergencies. This ultra-compact, dual-output light features three levels of output that will provide security and peace of mind, no matter what. On high and operated just like a key FOB, its wide, smooth 300-lumen MaxVision Beam™, creates an optical awareness. ...P/N 13-20658 ...........$69.99

SUREFIRE MINIMUS™ HEADLAMP
The model that launched SureFire headlamps into best-in-class status. Minimus provides the right amount of light—13 preset outputs up to a max of 300 lumens—precisely where you need it, thanks to its adjustable output knob and rotatable LED housing. ...P/N 13-20659 .........$179.00

SUREFIRE MAXIMUS™ HEADLAMP
The SureFire Maximus™—rechargeable variable-output LED headlamp delivers an amazing 1,000 lumens of light—enough to illuminate your entire campsite. If that's too much light, you can dial it down to 1 lumen—or an even lower level in between—for close work, preserving your dark-adapted vision, or extending the runtime. A large knurled dial permits output control with one hand—even if it's gloved or numb from the cold. One hand can also aim the light right where you want it with its broad, smooth 200-lumen MaxVision Beam™, creating an optical awareness. ...P/N 13-20660 .........$249.00
