

# WINDSHIELDS – WINDOWS

## L & P AERO HEAVY THICKNESS WINDSHIELDS

### STC Conversions

We now carry these STC Conversion extra thick windshields which are FAA approved for the following aircraft and which install as easily as the standard .250 thick windshields. Available in 3 thicknesses.

Available In Three Thicknesses		
Part No.	Thickness	Price
269.312	.312	\$869.00
269.375	.375	948.00
269.500	.500	1,098.00

Note: Verify that your serial number is eligible before ordering.

### FAA APPROVAL LIST

<b>Beech Bonanza F33</b> s/n CD-1235 – CD 1254	<b>Beech Bonanza V35B thru V-35B-TC</b> s/n D9069 and up
<b>Beech Bonanza G33</b> s/n CD-1255 – CD 1304	<b>Beech Bonanza 36 &amp; A36</b> s/n E-1 and up
<b>Beech Bonanza F33A</b> s/n CE-290 and up	<b>Beech Bonanza A36TC &amp; B36TC</b> s/n EA-1 and up
<b>Beech Bonanza F33C</b> s/n CJ-26 and up	<b>Beech Baron 58 &amp; 58A</b> s/n TH-1 and up
<b>Beech Bonanza 33 thru E33A</b> s/n CD-1 – CD-1234, CE-1 - CE-289, CJ-1 – CJ-25	<b>Beech Baron TC58 &amp; 58TCA</b> s/n TK-1 and up
<b>Beech Bonanza H35 thru V35A-TC</b> s/n D4866 – D9068	<b>Beech Travelair 95 thru E95</b> s/n TD-1 – TD-721

## CESSNA 150/152/172/177/182/210 WINDOWS

Aircraft Spruce stocks replacement windows for Cessna single and twin engine aircraft as well as all windshields and windows manufactured by LP Aero Plastics. Call or email Aircraft Spruce for quotation and specify year, serial number of aircraft and windows required.

Call: 1-877-4SPRUCE • Email: info@aircraftspruce.com

### WINDSHIELD INSTALLATION ACCESSORIES

This is an adhesive backed, closed cell foam tape which is available as a 100' roll. This tape can be wrapped around the edges of the windows to both cushion and seal. DO NOT STRETCH DURING APPLICATION, IT WILL PULL BACK AND LEAVE GAPS. Piper used this extensively in their window installations.

1-1/4"x1/16" x 100' roll.....	P/N 05-99100 .	\$29.85/rl
1-1/4" x 1/16" x 25" roll.....	P/N 05-04864 .	\$19.95/rl
1-1/4" X 1/16" .....	P/N 05-02132 ...	\$0.55/ft
Felt – Adhesive-backed 1-1/2" x 1/16" .....	P/N 05-99110 ...	\$4.35/ft

### FOAM TAPE

An adhesive backed, closed cell foam tape. Can be wrapped around the edges of the windows to both cushion and seal. Do not stretch during application, it will pull back and leave gaps. Piper used this extensively in their window installations. The 1/4" tape is used mainly for vent window gaskets. 1/4" x 1/8" x 10' Roll..... P/N 05-04754..... \$9.90

## L & P AERO INDIVIDUAL WINDOWS

Window Model No.	Aircraft	Description	Each
231	Aeronca	Left front sliding-forward	\$32.95
232	7AC	Left front sliding-rearward	\$27.95
233		Left or Right rear	\$44.95
234		Right front door	\$37.95
225	Aeronca	Left or Right front door (sliding)	\$28.95
226	11AC	Left or Right rear (Door) (sliding)	\$28.95
227		Left or Right rear	\$31.95
342	Cessna	Left or Right door	\$43.50
343	120/140	Left or Right rear	\$31.50
344		Left or Right skylight	\$33.50
370	Cessna	Left or Right rear	\$38.00
374	170	Left or Right door	\$52.00
362	Cessna	Left or Right rear	\$31.50
369	180	Left or Right door	\$62.50
006	J-3	Skylight	\$34.95
008		Left front triangle	\$23.95
009		Left pilot sliding	\$34.95
010		Left rear	\$33.95
011		Right rear	\$27.95
012		Right door	\$45.95
436	PA-12	Left front (sliding)	\$28.00
437		Left rear	\$29.00
438		Door	\$28.00
439		Right rear	\$24.50
015	PA-16,20	Right door	\$31.95
016	22	Right rear	\$17.95
021		Left front stationary	\$27.95
017		Left front sliding	\$27.00
019		Left rear door	\$17.95
465	PA-18	Right door	\$47.75
466		Right or Left rear	\$24.50
467		Rear sliding	\$36.50
468		Front sliding (left)	\$36.50
469		Left pilot	\$22.95
020	Late PA-20	Left or Right square (rear)	\$22.95
021		Left front pilot	\$26.95
023		pilot-vented	\$13.00

SEE OUR WEBSITE FOR COMPLETE LIST OF LP AERO WINDSHIELDS AND WINDOWS.

## GREAT LAKES AERO WINDSHIELDS & WINDOWS

Great Lakes Aero windshields and windows are made from Acrylic sheet conforming applicable portions of ASTM D-4802, LP-391 & MIL-P-5425-D and are FAA/PMA Approved.

Most vent windows or pilot windows which have a vent hole will come with a vent seal. Most single engine Cessna windshields and rear windows come with the felt tape for the edges. PA-28, 32, 34 & 44 Windshields are also supplied with the Foam tape. For some Cessna side windows Rubber U-Channel or the Felt tape is available at an additional cost, and the foam tape used on some Piper side windows is also available (specify at time of order).

It is recommended that all installations are done by a certified A&P, and the proper installation manuals, installation procedures & practices recommended by the aircraft manufacturer are followed.

Special order PN: 00-00100

Please provide the required Info: • Aircraft Make • Aircraft Model • Complete Engine# • Aircraft Serial#.
