Here are some of our most popular items. These tips take a good deal of stress in just normal flying circumstances. They’re also frequent victims of ramp rash. The original plastic simply can’t stand up to the task as well as fiberglass replacements from Stene Aviation. Plus, if these parts ever do withstand damage, they’re easily repaired with readily available fiberglass repair kits from your local automotive parts store.

**What Makes These Composite Parts Such An Excellent Value?**

- Money back guarantee if not completely satisfied!
- Exact replacements of original equipment means easy installation.
- Easily repaired with locally available fiberglass kits if ever damaged.
- Stronger than factory originals with no weight increase.

Wing tips are a common victim of hanger and ramp rash. Maybe you thought the plane was going to clear those doors as you wheeled it back into the hanger...the first indication that you were wrong was that grating sound as the wing tip met metal. Here’s the solution: replacement fiberglass wing tips from Stene Aviation.

**RUDDER & VERTICAL FIN CAPS**

**GEAR LEG AND BRAKE FAIRINGS**

These are excellent items for replacing worn plastic originals. Your fiberglass replacements will be more durable with an improved finish over the original plastics.

**STRUT CUFFS**

These parts are a snap to replace on most planes. Please note, indicate if your fin cap needs to accommodate a strobe or beacon, and if so, if the light is front-mounted or center-mounted.

**RUDDER & VERTICAL FIN CAPS**

These parts are a snap to replace on most planes. Please note, indicate if you have a straight tail or a swept tail. It is also important to let us know if your fin cap needs to accommodate a strobe or beacon, and if so, if the light is front-mounted or center-mounted.

**STRUT CUFFS**

Here’s an unbeatable item for renovating your Cessna; a set of replacement strut cuffs. Order just one cuff to replace a damaged original, or get a set of four for a complete replacement.

**RUDDER & VERTICAL FIN CAPS**

**GEAR LEG AND BRAKE FAIRINGS**

These are excellent items for replacing worn plastic originals. Your fiberglass replacements will be more durable with an improved finish over the original plastics.

**STRUT CUFFS**
