Heater Tanks - Front .. 05-03468 ... \$357.00
Heater tanks - Rear 05-03469 ... \$372.00

PIPER DOOR HINGE CLEVIS PINS

Due to normal wear and lack of lube, the door hinge clevis pins should be replaced from time to time to maintain the proper operation of the doors. The set includes 2 clevis pins, 2 thick washers, 2 thin washers, and 2 cotter keys. All the hardware is FAA approved for Piper PA28, PA32, and PA34 aircraft.

P/N 05-03633 \$8.50

PIPER DOOR HINGE EYEBOLT SET

The eyebolts are probably the most neglected parts on the plane. They hardly ever get lubricated and due to their exposure to the elements, rust in the pivot point can prevent the door from closing properly and should be replaced from time to time as they wear. The set contains two of the proper eyebolts and detailed installation instructions. The hardware is FAA approved for Piper PA28, PA32, and PA34 aircraft.

Rear Door P/N 05-03636 \$29.95
Front Door P/N 05-03635 \$28.95

PIPER CABIN DOOR AND OVERHEAD TRIM REPLACEMENT HANDLES

Door Replacement Handles

Overhead Trim Replacement Handles

Piper no longer produces the trim handle, and an estimated 10% of 31,000 Pipers on the registry which utilize their handles. The OEM handles are a very weak link in the entire door assembly. Everything downstream of the handle is pretty secure. Therefore, they have improved the handle and are STC'd and PMA'd for certified aircraft.

Please call or visit our website for model eligibility. Each replacement handle is sold as a complete assembly and everything required to complete the installation.

Piper Cabin Door Replacement Handle P/N 05-04550 \$325.00
Piper overhead Trim Replacement Handle P/N 05-04551 \$326.00
