NUVITE POLISH - PROTECTANT SYSTEMS

NUVGLAZE SUPER PAINT GLOSSER

NuVite introduces NuGlaZe to create a super high gloss “show quality” finish for paint in new or excellent condition, and it adds a UV and sealant protection. It will put that final “wet-look” finish on good paint, and can be used as a final step for maximum gloss after using a drywash cleaner/polish such as NuVite NuPower II. With regular NuGlaZe use, a continuing surface barrier against most of the effects of airborne chemicals and ultraviolet radiation is created. Paint can be maintained in “new” condition longer and maintain the color balance intended by the manufacturer with regular use. Bugs and normal soil remove easily from a NuGlaZe surface, and the added gloss keeps the “new paint” look longer. NuGlaZe is simple to use and avoids complicated setups and special application or buffing equipment. Proven techniques and continuing technology advancement from NuVite have come together to produce NuGlaZe - the best thing you can do to maintain and protect your near-new or “new-looking” paint.

NUVITE CITRI-CUT CLEANER

NuVite CitriCut is a citrus based airframe wetwash and wipedown cleaner. Pleasant citrus smelling wet wash or wipe down cleaner that is especially friendly to the environment. Works great for standard wet washing with mops or scrub pads. When used as a wet wash, water sheets off, minimizing water spotting. CitriCut is also handy for hand debuffing or hand wipe down without need for rinse - so there is no need for water or floor cleanup. Spray CitriCut at 1:8 from hand trigger sprayer for hand debuffing or wipe down and wipe with terry towel until clean. Use a clean towel to buff up surface shine. No need to rinse surface. Supplied as concentrate—use 1:8 for hand wipe down or 1:16 in wet wash procedures. P/N 09-00588 ................. $17.50

NUVITE C-49 SUPERCLEANER

NuVite C-49 SuperCleaner is the most versatile and effective cleaner you can buy when you want to clean fabrics, leather, carpet, plastics, laminates and even metal. In other words, for cleaning all types of surfaces generally found in commercial & private aviation, building or institutional interiors, RV, truck and marine interiors, or even home interiors! P/N 09-02089 ................. $8.00

NUVITE SSS-3 CLEANER

NuVite SsS-3 is the championship-caliber answer to the need for an effective and safe all-purpose liquid alkaline cleaner. It will clean the toughest of underbelly grease, oils and fluid leakage at full strength, or can be diluted to 1:12 to make an easy-to-use degreaser and whole-airframe wipe-down fluid that leaves a beautiful squarcky-clean and shiny surface that does not need to be rinsed. It works great for in-place cleaning during other airframe or engine maintenance. Quart .................P/N 09-00584 ............ $6.80

NÜTEC LEATHER GUARD

NuVite Leather Guard helps you keep that brand-new, supple, fine finished leather look and feel for luxury aircraft, RV or automotive seating, fine furniture or institutional use. Leather Guard is the finest-enrichening formula available for leather nutrition . P/N 09-020391 .......... $14.00

NUVI TE 20/20 SWIPE PLASTIC CLEANER & POLISH

Formulated specifically for aircraft transparent plastic windows, 20/20 SWIPE has been used on military aircraft for decades. Meeting MIL-C-18767A (ASG) and AMS 1535C specifications, 20/20 SWIPE is popular with many government agencies, and a favorite of helicopter pilots, air racers, and motorcyclists, among many others. Benefits Beyond Clean Regular polishing with 20/20 SWIPE delivers additional benefits. Its UV protectant formula inhibits UV induced crazing and discoloration. It also deposits an anti-static barrier prohibiting dust, dust, lint, and other atmospheric particulates from statically adhering to transparency surfaces. P/N 09-05314 ................. $41.50

NUSHINE FLANNEL POLISHING CLOTH

This is the 13 ounce 100% cotton-face virgin cotton flannel “sweatshirt material” used with orbital buffers with NuVite NuShine II Grade 5 to get that final “NuVite Look” of extreme depth and image in your polished metal. See Detailed Metal Polishing Procedures for recommended use. Package of 10 20” x 30” (approx.) sheets gives many “polishing positions” on each sheet for economy. P/N 09-05346 .......... $8.00

NUPOL POLISH / RESTORER / UV PROTECTANT

Same easy wipe on, let dry, wipe off surface cleaner with enhanced cleaning and oxidation removal capabilities. Ideal for tough cleaning due to long intervals between cleanings. Leaves a beautiful shine and an effective UV protective barrier. Qi. ..........P/N 09-00583 ........... $16.75
Gal. ...............P/N 09-00582 .......... $45.80

NUPOWER II POLISH/UV PROTECTANT

Dry Wash Cleaner and Polish (Routine dry wash cleaning with gloss enhancement and UV protectant barrier) - Use for routine cleaning where wetwashing is not possible or gloss enhancement is desired. Contains non-abrasive media to remove even stubborn soilings. Cleans dirt, carbon and oil and leaves a protective barrier against UV deterioration of paint. Can also be used to clean bare metal surfaces. Apply with mop, sprayer, cotton pad, or by hand. Agitate uniformly over area to be cleaned, spreading material to a very thin layer. Let dry completely and buff off by hand with clean terry towel. Supplied ready-to-use. Qi. ..........P/N 09-00581 ........... $16.50
Gal. ...............P/N 09-00580 .......... $45.70

NUSHINE II POLISH/ SYSTEM

NuVite engineers have formulated a system of polishes to meet the needs for almost any metal and paint polishing project. New metal to antique, the formulations in the NuShine II Polishing System will give superior definition, highlights, imagery, clarity, and will retain the finish longer than normal polishes. NuVite’s NuShine II graded polishes use high technology materials with programmed abrasive characteristics and are blended with superior carriers to offer the ability to produce cutting action when needed, yet offer micron-level finishing in the finer grades that produces highest reflectance and image excellence. Grade 5 (for final finishes) - The finishing grade that gives the really deep, clear image when used as a final finish over a properly prepared, oxidation-free surface. 0.5 Lb. jar ..........P/N 09-00578 .......... $47.50

Grade G6 (SS & titanium or heavily oxidized aluminum) – When a heavy cut is needed, G6 may be a good answer. G6 has a high-tech abrasive system that is designed to do a quick, aggressive cut, and immediately break down to a finer cut, similar to Grade C. Use when there is heavy oxidation on the surface of aluminum, or even when very light corrosion is evident. Can also be used to blend surface scratches in aluminum. Can also be used for polishing stainless steel. 0.5 Lb. jar ..........P/N 09-00586 .......... $47.50

Grade C (for unpolished aluminum and repolishing degraded brightwork) - C is a cutting grade polish that we recommend to prep for using Grade S. Use Grade C to begin polishing on clad aluminum that has never been polished. Will also remove the dusty/hazy white background found in many otherwise good polish finishes. 0.5 Lb. jar ..........P/N 09-00587 .......... $47.50
1 Lb. jar ..........P/N 09-05341 .......... $73.80
10 Lb. Pail ..........P/N 09-05345 .......... $550.00
