ROLITE PREMIUM POLISH AND SEALANT
A wax free, easy-to-use, one step polish & sealant that gives you a tough, long lasting, brilliant shine that exceeds today’s standard finishes. This unique formula contains special polymers to level the surface, seal in the shine and protect the finish even from ultraviolet rays and acid rain. Contains no harsh abrasives, acids or solvents that can harm painted finishes. Special cleaners remove oxidation, dirt and pollutants to restore the original luster. Safe for all auto finishes, domestic and foreign, including plastic bumpers, enamels, clear coats and metaltics. It can also be used with confidence on stripes and decals. Superb for aluminum, chrome, fiberglass, plastic, stainless steel and other non-porous surfaces. Not recommended for use on flat black paint or black textured trim. Always check colorfastness of decals and stripes before applying.
