P/N 11-03014 $28.75

CLARITY ALOFT PRO PLUS HEADSET
The Pro Plus is designed for the discerning professional pilot who needs the ultimate in performance in a TSO certified headset. Robust wiring, exceptionally stable microphone boom, and our legendary comfort combine to make this the best option for the career pilot. The fact that the hearing protection is so good that it can go seamlessly from an airliner to an aerobatic plane just adds to the appeal of the Pro Plus. Includes: • 6 pairs of medium tips • Semi-rigid ballistic nylon carrying case • 2 lapel clips • Quick Start Guide. 

P/N 11-13294 $725.00

CLARITY ALOFT HEADSET
Used to improve both hearing protection and speech communications. Each earpiece includes a miniature speaker that reproduces speech signals from the aircraft audio system. The replaceable compliant foam tips attach to the earpiece and contain a pathway for the sound to travel from the transducer to the ear. Provides the highest level of hearing protection available by any method including active noise reduction. (ANR) The noise-canceling microphone is a high fidelity noise canceling Condenser microphone with a music input in the Volume control box. This button could also be used as a backup in case of other system failures. Balance and comfort are the result of its elegantly simple design. 

P/N 11-02593 $495.00
