Grinders – Polishers – Sanders

1/4 Inch Die Grinder - VT3000
- 1/4" Air Die Grinder - VT3000
- Lightweight - powerful compact design
- VT3000-25,000 RPM
- All ball bearing construction for longer tool life
- Self-locking safety throttle lever to prevent accidental starts
- Ergonomic positive grip
- Rear exhaust
P/N 12-02550 ........................ $39.85

1/4 Inch Die Grinder - VT3000A
- 1/4" Angle Type Air Die Grinder VT3000A
- Lightweight - powerful compact design
- All ball bearing construction for longer tool life
- Self-locking safety throttle lever to prevent accidental starts
- Ergonomic positive grip
- Rear exhaust
P/N 12-02551 ........................ $89.75

1/4 Inch Die Grinder - VT3001
- Industrial duty
- Durable precision machined and hardened steel gears
- Precision air motor with exceptionally high turning force
- High quality ball bearings for longer tool life
- Ergonomic square handle design for positive grip
- Rear exhaust
P/N 12-02552 ........................ $89.50

1/4 Inch Die Grinder - VT3001A
- 105° angle type head
- Direct drive - no bevel and pinion gears to maintain
- One piece casting
- Ergonomic design for operator convenience
- Safety throttle lever
- Rear exhaust
P/N 12-02553 ........................ $96.75

1/4 Inch Heavy Duty Mini Angle Grinder - VT3003A
- Heavy duty performance and power in a light weight grinder
- Ergonomic rubber grip for greater operator comfort and safety
- Precision machined and hardened steel gears
- Precision air motor with exceptionally high turning force
- High quality ball bearings for longer tool life
- Safety throttle lever
- Front exhaust
P/N 12-02554 ........................ $192.95

7" Angle Polisher
- Polisher is ergonomically form fitting, light weight and easy to use
- Ball bearing mounted motor
- Includes reversible side handle for left or right hand operation
- Built-in regulator for adjusting free speed range from 1,500 to 2,500 RPM
- RPM: 2,500
- CFM: 6
- Pad Size: 7”
- Noise db: 93
- Air Inlet: 1/4”
- Max Pressure: 100
- Length: 14”
- Weight: 4.8lbs
P/N 12-02555 ........................ $175.95

Right Angle Polisher
The V716P is ideal for polishing and buffing paint, metal, wood or plastic. It has an adjustable speed control and a unique muffler design. Side handle is standard equipment and fits either the left or right side of polisher.
- Free Speed: 0-4,000 RPM
- Motor: 1 HP
- Average Air Consumption: 8 CFM
- Air Inlet Size: 1/4” NPT
- Spindle Size: 5/8”-11
- Sanding Pad: 7”
- Weight: 6 lbs.
P/N 12-02556 ........................ $207.95

1/4" Belt Sander
- Rear exhaust directs air away from work surface
- Equipped with silencer to reduce noise
- Precision air motor with exceptionally high turning force
- Precision ball bearings for longer life
- Can be used for internal and external finishing
- Quick change belt replacement system
- Built-in speed regulator
- Reaches normally inaccessible areas
- Light weight ergonomic handle design for control and comfort
- Rubber grip for non-slip feel and insulates from cold air
- Grind off contact wheel or platen
- 360° head rotation provides versatility for every job
P/N 12-02558 ........................ $249.95

3/8” Reversible Angle Drill
- Compact, low profile angle head enables easy access to tight areas
- Light weight and powerful
- Comfortable lever throttle
- One hand quick reverse lever
- Ergonomic design with elastomer handle grip for improved comfort
- Heavy duty ball and needle bearing construction
- Planetary gear reduction balances the drilling load and maximizes performance
- Precision air motor with exceptionally high turning force
P/N 12-02559 ........................ $148.95
