TOOLS - CUTTERS

5 INCH SERRATED EDGE SCISSORS

F stainless steel scissors are ideal for consumer and industrial applications. High quality stainless steel blades meet perfectly for precision cutting. The material being cut is held in place by one blade which is slightly serrated providing maximum control. Scissors so sharp, they can cut through electrical wiring, plastic, aircraft composites, Kevlar® and more. P/N 12-02345 ...................$18.95

UTILITY SCISSORS

These 5½" stainless steel utility scissors can cut through heavy materials, while the black plastic handle and ergonomic design make using the tool comfortable. These scissors are not only useful in the medical field, but in the industrial world as well, and its strong safety tip can offer peace of mind to medics and industrial workers alike. P/N 13-03015 ...............$3.65

CERAMIC SAFETY SCISSORS

With a proprietary finger-friendly ceramic grind, these scissors cut materials effectively, but they resist cutting skin. Used in industrial, institutional, and educational settings alike, these lightweight scissors are unique and durable. Soft-touch finger grips line their tough glass-filled nylon handles for the ideal mix of strength and comfort. They are also non-sparking and chemically inert. P/N 12-04970 ...........$29.99
