KETT'S ALL-PURPOSE

FLEXIBLE TIP NEW QUICK-GRIP BAR CLAMP

KETT'S ALL-PURPOSE...

This unique pistol-grip handle makes it easy to open the clamp for 2” wide materials. The swivel head gives you precise control as you make straight or contour cuts. Double-cut shearing action leaves a clean burr free edge and won’t warp or bend the piece. Extended run time NiCad battery recharges quickly and there’s room for a spare, and the charger unit, in the handy carrying case. Length: 12-3/4”, Weight: 7 lbs. The kit includes KB-301 power shears, KB-302 14.4 volt NiCad High Performance battery, KB-303 battery charger and KB-304 carrying case.

INDUSTRIAL FABRIC SHEARS

Wiss No. 20W heavy-duty shears, ideal for cutting fiberglass cloth and all fabrics. Hot drop-forged steel.

Right Hand Shears... P/N 01-00397 ... $32.75

Left Hand Shears... P/N 01-00396 ... $32.75

FISKARS 9” PINKING SHEARS

We recommend saving one pair for only cutting Kevlar®, and keep ing a second pair for general use.

P/N 12-00342 ...................... $23.50

OFFSET KEVLAR CUTTING SHEARS

Although Kevlar has many advantages over conventional fiberglass, it is very difficult to cut. Special scissors have been developed to facilitate cutting. These scissors have a wear-resistant coating which is metalurgically bonded to the steel substrate. The coating will not chip or peel off and can be sharpened.

Model WR-10E-4 Shears .......... P/N 01-00341 ............ $85.75

ECONOMY KEVLAR SCISSORS - GINGHER® Scissors cut Kevlar exceptionally well. Lightweight, extremely sharp and comfortable, these 2 1/2 oz. scissors are perfect for use during the lay-up. Soak in acetone for easy clean-up.

We recommend saving one pair for only cutting Kevlar®, and keep ing a second pair for general use.

P/N 12-00342 ...................... $47.85

TOP FLITE HEAT GUN

This Top Flite Heat Gun is a handy tool that gives you a fast, drum-tight, mirror smooth finish. It’s ideal for MonoKote, EconoKote and other heat-shrinkable covering films to get a professional finish with less time & effort. This heat gun has a One-Year Warranty.

STEEL SPRING CLAMPS

This nicker-plated steel spring clamp is ideal for gluing, assembly and welding work. The comfortable vinyl coated handle makes it easy to open the clamp for 2” wide placement and the tempered spring ensures a strong hold. Keep several on hand for all projects.

P/N 12-00377....................... $3.45

ADEL HAND “NIBBLING” TOOL

Cuts sheet metal like punch and die. Cuts holes to any size and shape. Start with 7/16” hole then “nibble” to size required. Capacity 18 Ga. steel.

Wt. 8 oz. ......................... P/N 12-10400 ........... $45.80

Replacement Punch .... P/N 12-10500 ....... $31.50

CUSHIONED CABLE CLAMP (ADEL CLAMP) INSTALLATION PLOIERS

These special pliers allow for greatly simplified installation of single or multiple Adel type cushioned clamps. The pliers securely hold the aligned clamps in position, allowing for easy installation of securing hardware. Each kit includes special plier, alignment awl, and simple instructions.

P/N 12-00217 ....................... $34.75

KETT PORTABLE POWER SHEARS

DOUBLE-CUT SHEARS KD-400

Variable-speed, double-cut shears feed quickly and quietly, without warping or bending your finished piece (distortion is in the waste strip). It easily follows a scribed line. The materials edges are not hardened or burred, so you get maximum use of a sheet. The swinging action of blades seals the edge of coated metals. These lightweight shears cut mild steel up to 18 gauge in straight or contour lines at over 300 inches per minute, most grades of stainless, aluminum to .080 and plastic or Formica up to 3/32” thick. These shears are also available with a contour cutting blade 60-21C to cut tighter curves and the HS blade 60-21HS for cutting foam filled doors.

P/N 12-03806.............................. $259.00

ELECTRIC MODEL K-442

Kett’s all-purpose 16 gauge power shears cut up to 16 gauge mild steel, cleanly and easily without warping or buckling the material. These lightweight shears, designed for durability, feature a variable speed motor and fill the gap between Kett’s light duty and heavy duty power shears.

P/N 12-01153 ............. $262.95

PNEUMATIC MODEL P-500

Equipped with air-metering trigger for variable-speed cutting, that initially the blade can be operated slowly to prevent chattering at start of cut. 2600rpm. Maximum cutting speed, 180” per min. Wt. 3 lbs. Over-all length, 5”.

P/N 12-01158 .......... $222.95

KETT KB-301 CORDLESS 18GA SHEAR

High torque 2300 RPM motor lets you easily cut 18 gauge mild steel or up to 20 gauge stainless at over 150”/minute. The swivel head gives you precise control as you make straight or contour cuts. The double-cut shearing action leaves a clean burr free edge and won’t warp or bend the piece. Extended run time NiCad battery recharges quickly and there’s room for a spare, and the charger unit, in the handy carrying case. Length: 12-3/4”, Weight: 7 lbs. The kit includes the KB-301 power shears, KB-302 14.4 volt NiCad High Performance battery, KB-303 battery charger and KB-304 carrying case.

KETT KB-301-K Cordless Shear Kit #300 12-00117 $314.95
KB-302 14.4 volt NiCad Battery 12-00118 $85.75
KB-303 One Hour Battery Charger 12-00119 $62.00
KB-304 Carrying Case 12-00121 $26.30

KETT KD440 14GA POWER SHEARS

Cuts 14 gauge mild steel and most grades of stainless to 16 gauge. Cuts over 150 inchess/minute, leaving a clean, flat sheet, ready to fabricate. Distortions are absorbed in an easily disposed of waste curl, leaving the sheet cool and free of burn, chips, and burns. The cutting blades are finest high speed steel. (Also cuts sheet metal, Stainless and Plastics) P/N 12-00676 ............... $234.95

KETT KD-446R PROFILE SHEARS

Cuts profile and flat materials up to 18 gauge, spiral duct, wire mesh and many other materials. Can cut tight curves at a radius of three inches. The motor is variable speed up to 2500 RPM and cuts up to 28 feet per minute.

Features: 5.0 amp pistol grip • Replaceable A-2 tool steel shear blades • These snips cut C.R. mild steel 18 gauge and lighter, wire mesh to 18 gauge, spiral pipe, metal studs and corrugated metal

Right Hand ............................................. P/N 12-02507 ........... $259.85
Left Hand ............................................ P/N 12-02509 ........... $259.85

CORDLESS ELECTRIC KEVLAR SCISSOR KIT

The USATCO cordless electric kevlar scissor kit cuts aramid fibers, kevlar and other tough materials! Lightweight and maneuverable with superior ergonomic design. Requires much less effort than cutting manually. Short rapid strokes for intricate work. This can be operated with cord or battery. P/N 12-00530 ............... $199.75
