AIRCRAFT JACKS
BROWNELL AVIATION JACKS

For over forty years Brownell has been the leading name in boat storage equipment throughout North America and the world. The same commitment comes in our new line of aviation products. Brownell slightly modified our jack stands and dollies to fit the needs of aviation professionals and enthusiasts in order to help make the work place safer and more efficient. All of the products are made in America using skilled American labor and American steel.

RV JACK STAND KIT
Someday you’ll need to jack up your aircraft to install new tires, clean & grease wheel bearings, or fix a flat. This nifty jack stand is safer than using an engine hoist or the wing tie down location. Requires a modification to the axle nuts (about 1 hour). Kit includes the axle jack arm, axle nut modification hardware, & directions to modify the nuts. For hollow axles (Wittman style) Gear only. Uses automotive bottle jack. Jack not included. Not for RV-8s. For RV Gear Legs with hole in axle.

P/N 12-00634 .............. $58.75

RV 8 TRAVEL JACK
The RV 8 Travel Jack was designed and manufactured by RV-8 builder / pilot Steve Jackson. All steel construction, weighs less than 3 pounds. Jack mast easily removes from base plate for compact storage. Uses 3/4" wrench to operate (wrench not included). Tested to 1350 pounds. Has securing arm that positions between the gear leg & brake to stabilize the jack - works on both left and right gear leg with a simple adjustment. Base measures 3-1/2" X 8"; mast stands 10" tall. Designed for RV-8 flat spring gear legs (only -- will not work on the other RV’s with round gear legs).

Standard..................P/N 12-03170 ......... $209.95
For Grove Gear ..................P/N 12-03243 ......... $209.95

SHOP TUFF ELECTRIC HOISTS
This handheld remote control electric hoist works great in your garage or shop. This item comes with Universal Mount brackets and has a 110 Volt, 3/4 HP motor. Lifting height: 36FT SL, 18FT DL. Cable length: 39FT. Handheld remote control 5ft cord. Motor: 110Volt, 1-1/4HP. Universal Mount with brackets.
