MGF FLEX CLIP EXTRA BASE
The Flex Clip Mount by MGF. This is the first and only mount that you can secure anywhere you wish with four screws of an AMPS pattern or with semi-permanent VHB adhesive. Since the Flex Clip uses Flex Arms, it is infinitely adjustable so pilots are able to mount their device in the exact position they wish. Weighing only 8.2 ounces the Universal Cradle is incredibly light-weight.
P/N 13-19532 ........... $169.00

MGF SPORT™ MOUNT BOEING
The Sport™ Mount Boeing is for pilots who want to mount their iPad/Tablet on the checklist plate found on the yoke of most Boeing jets including the 737 and 757.
