REVERE AERO ELITE LIFE RAFTS
The Aero Elite offers both crew and passengers easy usage when facing the stress of a life threatening situation as opposed to other liferafts that can be difficult to lift and transport at the time of need. Vertical bulkheads inside divide the tube into two independent air-holding compartments. If one compartment is punctured, the other keeps you afloat. Offers a spacious 4 square feet per person. Inflatable floor, stowage pockets, zippered windows, flashing strobe, extra large ballast pockets, and an extensive equipment pack including USCG/SOLAS flares plus much more. If serviced according to manufacturer’s spec, the Aero Elite offers a 12 year warranty.

1. 4 Person ..................P/N 11-09409..$2,995.00
2. 6 Person ..................P/N 11-09411..$3,185.00
3. 8 Person ..................P/N 11-09412..$3,295.00

SWITLIK INFLATABLE LIFE RAFTS
The Switlik ISPLR brings advanced military design and mission-proven durability to a single place life raft available for mariners and pilots who are serious about their personal lifesaving equipment. Fully reversible. The unique U-shaped design allows the raft to be fully reversible, allowing quick, easy entry from the water - whichever side allows the raft to be fully reversible, allowing quick, easy entry from the water - whichever side is up when it automatically inflates. The ISPLR’s low slung floor design allows seating at a slight recline lowering the center of gravity well below the waterline, increasing stability in rough waters. Zip to the elements.

1. Brick Valise, Hermetically Sealed...P/N 13-18420..$999.00
2. Brick Valise, Hermetically Sealed w/Floor........P/N 13-18419..$1,199.00
3. Soft Valise, Loose Pack........P/N 13-18417..$218.00
4. Soft Valise, Loose Pack w/Floor........P/N 13-18418..$238.00
5. Belt Pack, Hermetically Sealed....P/N 13-18420..$2,099.00

REVERE COMFORTMAX™
INFLATABLE PFD - RED TYPE III
Features: USCG approved for persons at least 16 years of age weighing 80 lbs. and above with a chest size between 30” and 52”. Dual waist belt stainless steel adjuster provides for easy adjustment with both hands and a more custom fit. Exterior inflation system access flap. Allows for clear, direct access to the CO2 cylinder for rearming. CO2 cylinder can be replaced without opening and unfolding the entire PFD. Waist strap and back strap attachment points fully connected and reinforced from inside for added strength.
