RESPONSE PACK
When travelling light, or when you may need to move out in a hurry, it pays to keep all your essential items together, with a place for everything this multifunctional carry case also doubles as a fancy pack, or as the British would call it, a bum bag. We use the same heavy duty materials in the Response Pak as we do in our series of backpacks. The Response Pak has a multitude of hidden internal storage pockets. The Response Pak has quickly become a favorite among military members as a great little med bag, perfect for those vital items each soldier needs. Supplies are NOT included. Olive P/N 13-10261 $24.65 Black P/N 13-10262 $26.50 Coyote P/N 13-10263 $24.65

THE SNAPPER CANOPY ESCAPE TOOL
The Snapper (Tool for canopy escape to break shards of plastic after flip-over for escape). This tool was developed specifically for the RVs. This little tool could really save the day in the event of a flip over in your RV. We learned that almost all flip overs result in the canopy being broken and cracked. At first glance one would say that is a good thing, and should help facilitate a speedy exit. P/N 05-12378 $8.95

BRITE STRIKE ULTIMATE PILOT LIGHTED SURVIVAL KNIFE
The hollow ground blade is hand finished to a razor sharp edge. Spring Assisted Opening is best in class. 45 lumen mini-aluminum LED white light. The light can be quicky removed from the body of the knife and operated independently. The rare earth magnetic base allows the light to be mounted on the blade for a 90 degree light. A second aluminum mini flashlight with red LED is included. Both LED mini flashlights are powered by 3 AAA batteries. P/N 13-22078 $124.95

FLIGHT OUTFITTERS MULTI-TOOL
Why carry a toolbox when you can have all the essential tools right at your fingertips? This Multi-Tool has everything you need for quick repairs. Needle nose pliers deploy with a touch of a button, making one-hand operations. Durable stainless steel tools with an anodized aluminum handle will be a perfect addition to your flight bag. P/N 13-21092 $49.95

FLIGHT OUTFITTERS PILOT SURVIVAL KNIFE
The Pilot Survival Knife is more than just a blade. This knife was designed to be the perfect side-kick accessory for pilots. In addition to the two-in-one blade design, there is a built-in LED flashlight on the top of the knife. The handle also features a seatbelt cutter, a glass breaker tool, and a clip to secure the knife on a belt or bag. All of these features are neatly contained within the rugged yet attractive grey and black handle. Two-in-one blade design. Integrated LED Flashlight. Seatbelt cutter. Glass breaker. P/N 13-08665 $29.95

BRITE STRIKE SURVIVAL LIGHT PACK
Brite Strike Survival Pack. This pack lasts for 200 plus hours, can be seen up to 1 mile and has 3 different modes. These are waterproof, dustproof and shockproof. The light has 6 international amber APALS-AIR® light strips, 2 Solas radar reflective tape strips, and offers over 200 hours of signalling capabilities, or a total of 1200 hours if used individually. The APALS-AIR® has 2 strobe modes, a steady on for escape. This tool was developed specifically for the RVs. This little tool could really save the day in the event of a flip over in your RV. We learned that almost all flip overs result in the canopy being broken and cracked. At first glance one would say that is a good thing, and should help facilitate a speedy exit. P/N 13-10261 $24.65 Black P/N 13-10262 $26.50 Coyote P/N 13-10263 $24.65

BRITE STRIKE EXECUTIVE PRECISION LIGHTING INSTRUMENT
The EPLI™ is the perfect lighting instrument for any outdoor adventure. Super bright, waterproof and shockproof, it slips easily in a day pack or pocket. The EPLI™ has a strobe setting that can be used for SOS signaling and runs on easy to find low cost AAA batteries. Slim and sleek LED penlight made of high grade aircraft aluminum.
