VOYAGER II FLIGHT ATTACHE FOR IPAD

The Voyager II has upgraded metal snap hooks and d-rings to attach the stretchy, comfortable Air Lift shoulder strap. There is a separate pocket inside to carry your iPad1, 2 or 3 and will fit most iPad cases. The outer side pocket features a removable AND adjustable strap. The handles are now made of 1680D and the entire bag is accented with Leatherette. All the same organizing features including the Co-Pilot organization flap, chart pockets and battery sleeves are all still where they were before. If you fly with an iPad, this is a great case to help organize during your pre-flight. Size: 17.0 X 11.5 X 5.5in. Weight: 2lbs 13oz ....P/N 13-11877 .... **$63.85**

FLIGHT BAG 1 V2

This bag is like the hard flight cases airline pilots use. There's no maze of compartments, just efficient, sensible storage. Maybe that's why a major US airline flight training academy chose Bag1 as standard issue for their students. This Cockpit Bag is simple, practical, and cockpit friendly. Perhaps its ease of use is a Brighter idea. Enjoy the simplicity of well thought out storage, just right for most pilots.
