

# SUN VISORS

## ROSEN SUN VISOR SYSTEM

**Attention: Products noted in "Application Guide" with an ( \* ) are sold in pairs.**

Don't fly blind! Give yourself and your passengers that extra margin of safety. These are transparent sun visors which rotate and extend to offer complete cockpit protection from the sun. The oversize, tinted lens filters out 95% of the ultraviolet rays, reduces glare by 94% and heat by 86%. Distortion free. Fully STC'd and PMA'd. The system, which includes pilot and co-pilot visors, installs in minutes (exceptions: Cessna non-pressurized 210 requires 1-1/2 hours, Cessna 152 requires rivnut installation by an A&P).

Aircraft	Part No.	Price
<b>BEECH</b> - Bonanza/Baron, standard	7568*	<b>\$406.00</b>
Bonanza/Baron, 2- Axis replacement lens	13-18718	<b>\$81.75</b>
