

BRIGHTLINE FLIGHT BAGS

BRIGHTLINE FLEX B4 SWIFT - ECHO

The B4 SWIFT-ECHO makes a perfect VFR Flight Bag for Airline Captains as there is room for one or two headsets, one or two iPad, a full-sized water bottle, plus all the small stuff you'll want along for the ride. The B4 SWIFT-ECHO includes our unique Main Handle J-Hook that is designed to fit onto the J-Hook of most rolling suitcases. It also serves as an unbeatable carry-on personal bag when traveling on commercial flights, or just as a terrific daily bag for a wide variety of personal and professional uses. The B4 consists of the POCKET CAP FRONT, CENTER SECTION 4, FLAT CAP REAR, along with two Side Pockets, Echo and Charlie. It

also includes the MHJ and SS. It does NOT include a SLIM HANDLE KIT. If you ever think you'd like to remove the CS4 and zip just the two End Caps together to make the B0 SLIM, you'll need to make sure you also order an SLIM HANDLE KIT.P/N 13-21547**\$199.75**

BRIGHTLINE FLEX B7 FLIGHT - ECHO

The B7 FLIGHT is perhaps the most useful flight bag ever designed. It's a fact that some days you need more gear than others. The B7 lets you carry a full set of flight gear for cross country and basic IFR flight. And then it lets you downsize to a smaller bag for those days when you're just going to take a quick VFR flight.

The B7E consists of the POCKET CAP FRONT, CENTER SECTION 4, FLAT CAP REAR, along with two Side Pockets, Echo and Charlie. It also includes the MHJ and SS. It does NOT include a SLIM HANDLE KIT. If you ever think you'd like to

remove the CS4 and zip just the two End Caps together to make the B0 SLIM, you'll need to make sure you also order an SLIM HANDLE KIT.

BRIGHTLINE FLEX B-ZERO SLIM

The B0 SLIM is obviously the thinnest possible FLEX SYSTEM configuration. The "iPad bag" because works so well as an ultra-thin computing and personal bag - a "man purse" if you will.

The B0 is simply the POCKET CAP FRONT and the FLAT CAP REAR modules zipped together. It has no definable interior storage dimensions since it is just two End Caps put right against each other, but the flexible nature of the parts allows one-half inch to three-quarters inch of flat items to fit inside between the modules.

P/N 13-21546**\$120.00**

BRIGHTLINE POCKET CAP REAR

PCR: The POCKET CAP REAR module offers a variety of pockets organized into three "main" pockets, each one with two "secondary" pockets, for a total of nine small pockets on the Rear panel. There is also a flat half-height slip pocket on the inner surface of the module where you can stow an important document or two.

The key benefit of this PCR module is that you can put a second set of exterior pockets on the Rear of your bag, to go along with the ones that you already have on the Front of your bag. More pockets - More organization.

P/N 13-21549**\$58.00**

BRIGHTLINE FLAT CAP FRONT

The FLAT CAP REAR attaches to the Rear Surface of all Center Sections as well as directly to a Front End Cap.

The FLAT CAP REAR module offers one flat pocket on the outside, and one flat half-height slip pocket on the inner surface of the module. The primary outer pocket is accessed from the top and has a cover flap that is secured with Velcro. This where you'll likely store your iPad (as long as it's not in a thick case), or a manilla folder or two for some documents, or a magazine.

P/N 13-21550**\$30.00**

BRIGHTLINE CENTER SECTION TWO - TALL

The CS2-Tall is designed for carrying 15" laptops, iPads etc.

This center section is 15" x 10.5" x 2" and it can attach to all of the FLEX System modules including other center sections.

This item does not include a Main Handle or Shoulder Strap. If building a custom bag, make sure your order includes one or both.

The CS2-Tall can be used in any configuration and is not designed to be used by itself due to the possibility of damaging the exposed zippers. You will always want to have something (either another module or an End Cap) zipped onto both sides of the CS2-Tall to protect the zippers.

P/N 13-21551**\$46.00**

BRIGHTLINE CENTER SECTION THREE

The Center Section Three offers 3 inches of storage and easily carries 13" laptops, some 14" laptops, tablets as well as documents, folders, clipboards, etc.

There is one small accessory pocket on the side panel, accessible with a vertical zipper. It's a good size for pens, markers, highlighters, or spare reading glasses.

The Main Compartment of the CS3 has locking zipper sliders.P/N 13-21552**\$46.00**

BRIGHTLINE CENTER SECTION FOUR

The Center Section Four offers four inches of storage depth and comes with a divider shelf attached to the side walls of the main compartment with Velcro. This shelf can be positioned right where you need it or removed for full access storing one or two headsets or GPS.

This item does not include a Main Handle or Shoulder Strap. If building a custom bag, make sure your order includes one or both.

The interior of the CS4 is 13.5" tall, 10.0" wide, 4.0" deep.P/N 13-21553**\$58.00**
