

GASCOLATORS – FUEL TESTERS

ACS GASCOLATOR

All-metal gascolator with S.S. screen, 1-7/8" dia. anodized aluminum steel bowl w/quick drain. Top is CNC machined from 6061-T6 aluminum. Top casting has 1/4" pipe ports for 3/8" fuel line and one 1/8" pipe port for primer fitting. Wt: 8 oz. Made in the U.S.A. P/N 10580 **\$117.75**
Replacement Bowl(Alum.) P/N 05-11982 **\$23.80**

Replacement Gaskets - For auto fuel 3/32" thick x 2-1/8" O.D. 10536-1 P/N 06-00441 **\$7.95**

Replacement Screens -

120 Microns Stainless Steel P/N 10543-1 **\$5.50**
 74 Microns Stainless Steel P/N 05-03436 **\$3.85**

ACS GASCOLATOR INSTALLATION BRACKET

Versatile bracket of .016 stainless steel accommodates gascolators with either metal or glass bowl. When mounted as illustrated, inlet and outlet connections are on sides. When bracket is inverted, one port of gascolator faces firewall for direct routing of fuel line through firewall. Fits gascolators sold after May 1, 1989. Made in the U.S.A. P/N 10371 **\$24.50**

ACS HIGH PRESSURE GASCOLATOR

New ACS high pressure gascolator. Lighter weight and simpler design than the ACS "classic" gascolator. Bailwire and attaching hardware have been eliminated. Threaded collar secures bowl to top. Tested to 50lbs. Bowl is cadmium plated and top and collar are anodized for corrosion protection. Made in the U.S.A.

High Pressure Gascolator P/N 05-04248 **\$129.75**
 Replacement Gasket 10536-1 P/N 06-00441 **\$7.95**
 Replacement 120 Micron Screen 10543-1 P/N 10543-1 **\$5.50**
 Replacement 74 Micron Screen P/N 05-03436 **\$3.85**

FAA-APPROVED GASCOLATORS

CNC-machined out of 6061 aluminum for longer use. Anodized "O" ring seals for improved sealing capabilities, a bayonet tab locked bowl system. Direct replacement for factory parts. FAA-approved for many Piper, American Champion, Husky, Maule, Taylorcraft, Dynac and Cessna aircraft. Fits in existing Piper mounting brackets. Check the Aircraft Spruce website for aircraft cross-reference list or contact us for gascolator approved for your aircraft.

SA3-10A*	3/8 NPT - 1/2" Line - 4 oz.	05-12469	\$395.00

* Note: This unit does not require a bracket for installation.

PIPER GASCOLATOR GASKET

For Product Application see Piper Parts Manual for your Aircraft. 2.125 in. X 2.125 in. X 0.125 in. P/N 462-049 **\$5.35**

GASCOLATOR GASKETS

Gascolator Gasket, Manufactured from fuel resistant "Buna Rubber" material.

Description	Part No.	Price
2-1/4" OD. x 1-3/4" ID x 1/16" Buna and Cork material	05-11188	\$12.50
2" OD. x 1-3/8" ID x 1/8" Buna Rubber material	05-11190	\$2.75
2-1/8" OD. x 1-1/2" ID x 1/8" Buna Rubber material	05-11189	\$10.50
2-1/4" OD. x 1-3/8" ID x 1/8" Buna Rubber material	05-11187	\$2.35
2-1/4" OD. x 1-3/8" ID x 3/16" Buna Rubber material	05-11191	\$12.50
2-1/8" OD. x 1-1/2" ID x 3/32" White Nitrile Rubber material	05-22048	\$1.95

USHER GASCOLATOR 6

Can be used on fuel injection systems up to 50 psi. Anodized inside and out to prevent corrosion. Has two 1/4" NPT ports for 3/8" fuel line, a 1/8" primer port, and a 1/8" NPT drain valve port. Mounting bracket not included. Now comes ready to mount to firewall.

Gascolator P/N 05-15140 **\$188.75**
 Replacement Screen P/N 05-25972 **\$4.35**
 Replacement O-ring P/N 05-12242 **\$3.35**

GATS JAR FUEL SAMPLER

The incredible GATS Jar allows a pilot to pour the fuel used in the preflight check back into the fuel tank without fear of water contamination. Also detects jet fuel in the event of inadvertent fueling of your aircraft with jet fuel.

12 oz. P/N 05-21250 **\$19.85**
 16 oz. P/N 05-04237 **\$19.85**
 Replacement actuator P/N 17-00043 **\$7.65**

GATS JAR BUNDLE PACKS

6 Pack ... P/N 17-00284 **\$107.19** 12 Pack ... P/N 17-00285 **\$214.38**
 12 Pack .. P/N 17-00286 **\$857.52** 100 Pack .. P/N 17-00287 **\$1,786.50**

CURTIS FUEL SAMPLER CUP

This fuel sampler cup is designed for use with many popular fuel drain valves including the F391 drain valves used on many of today's production aircraft. Wide bowl allows fuel sampling without fuel dripping onto the hands.

P/N 05-17300 **\$8.50**

ASA AIRCRAFT FUEL TESTING CUP

Protect yourself from fuel contamination by visually checking the fuel for water and debris. Clear cup with a reinforced steel pin that works with most aircraft. Measures 2-1/2" high x 1-3/4" diameter. Lifetime warranty.

P/N 13-02353 **\$8.75**

FUEL TESTERS

The unique snap-on probe fits all quick-drain valves, stores compactly, and reduces spillage, loss, and probe breakage. Also includes a chrome-plated screwdriver blade with both a Phillips and a slotted head.

4" Fuel Tester P/N 13-18463 **\$6.65**
 6" Fuel Tester P/N 13-18464 **\$7.65**

GASOHOL TESTER

This compact fuel tester / double tip screwdriver combo measures the presence and percentage of alcohol in gasoline, and tightens errant screws. P/N 05-03439 **\$6.95**

GOCHECK PREFLIGHT 6 IN 1 MULTI-TOOL

6-in-1 Tool. With space at a premium in most flight bags, this innovative device combines multiple preflight tools in one compact unit. Includes a fuel tester with strainer, stall horn tester, dipstick wiper, red/white flashlight, Phillips/flathead screwdriver and checklist reminder card P/N 05-15254 **\$49.95**

MULTISUMP AVIATION FUEL TESTER

MultiSump+™ allows the pilot to sample and individually inspect fuel from each sump while a quick dump feature transfers fuel to the lower catch can thus eliminating emptying the tester after each sump.

Multisump with Fuel Strainer P/N 05-04653 **\$45.70**
 Multisump without Fuel Strainer P/N 05-15052 **\$24.95**
 Fuel Strainer Only P/N 05-08097 **\$14.50**

MULTISUMP AVIATION FUEL STRAINER

Use with your existing Fuel Tester to remove contaminants and water from your samples during pour back.

P/N 05-08097 **\$14.50**

JET SUMP™ FOR BUSINESS JETS

Provides clean sumping and inspection for Gulfstream® and other business jets. Made in USA

Features: • Meets 32oz sampling requirement for Gulfstream® jets • Compact storage with vapor containment cap • 4" extended neck reaches recessed drain valves • Allows for quick visual assessment of fuel quality • Affordable price point P/N 05-22946 **\$53.95**

FUEL TESTER CONTAINER

A polycarbonate airtight container for clean, odor free storage of a fuel tester. Can also be used to store other items like reading glasses that you want to protect from breaking. 9"x2.5"x1.75".

2.5 oz. P/N 13-12408 **\$19.99**

PIPER DRAIN VALVE FOR PA-15/PA-17

Model	Description	Part No.	Price
22179-000	Fuel Drain Valve 3/8" NPT	05-21969	\$23.65
189-543	Fuel Drain Plastic Tubing	05-21970	\$0.95

CESSNA DRAIN VALVES
