## OIL EATER® OVERNIGHT STAIN REMOVER FOR CONCRETE

Overnight Stain Remover is an all-new, award-winning product designed to remove oil & grease stains from porous surfaces like concrete driveways and garage floors. This product uses oil-eating microbes to clean deep beneath the surface, removing oil stains at the molecular level. Oil Eater's team of experts designed this oil stain remover to safely & effectively use at home or work - just 3 effortless steps: apply, allow it to dry to a powder, and then

sweep away the powder for a stain-free surface! Older stains that have bonded with concrete or pavers may not be possible to restore fully, but product should help minimize appearance of oil stains as much as science allows. 32 oz. Bottle Concentrate ..... P/N 09-06394 .....  
5 Gallon Concentrate ..... P/N 09-06395 ..... ---

## OIL EATER® ALL PURPOSE & FLOOR CLEANER

Oil Eater® Floor Cleaner is a highly concentrated, alkaline based powdered cleaner designed specifically to be versatile and powerful. Just add one or two pouches to your mop bucket and you are ready to clean. Our controlled portions save you money and ensure that the right amount of cleaner is used every time. 1.5oz. 100 Pack.....P/N 09-06397 ..... ---
