Filter	11-12496	---
Sheepskin Headpad	11-12497	---

LYNX BOSE LEMO HEADSET CONVERTER

This Lynx Avionics Headset Converter is for use with Bose or Lightspeed headsets fitted with Lemo panel connectors. The Headset Converter (Bose Lemo) is backwards compatible with all Lynx products and allows Bose or Lightspeed headsets to connect to the Lynx intercom systems installed in many aircraft.....P/N 11-13799..... ---

LYNX MICRO SYSTEM BOSE LEMO HEADSET CONVERTER

For use with helicopter headsets or helmets fitted with a UK NATO jack plug and allows the headset or helmet to connect to a Lynx radio Interface
P/N 11-13666..... ---

AVIATION HEADSET MICROPHONE COVER

Aviation mic cover that fits over the foam of most aviation headsets. I created it because the foam that usually covers these mic's are not very sanitary, in that it's not easily cleanable. With these you can wipe them down or even take them off, clean with soap and water and put them back on. Will fit over most aviation headsets but optimized for David Clark and Bose.
P/N 11-19696..... ---

DAVID CLARK HEADSET HANGER

The 43200G-01 Headset Hanger is the perfect NFPA-compliant headset restraint for fire apparatus, EMS, and rescue vehicles. Manufactured from heavy duty, transportation-grade rubber, it is not affected by hot or cold temperatures, UV rays or corrosive marine environments. An integrated quick-release strap completes this unique, simple and effective solution for any style David Clark noise-attenuating headsetP/N

STRAIGHT CORD (5 FT) WITH PJ-068 & PJ-05 40133G-04

Increases the versatility of the H10-60 headset. Plugs into the dome connector.
P/N 11-05948..... ---

COIL CORD (5 FOOT) WITH PJ-068 & PJ-055 PLUGS 40133G-05

Increases the versatility of the H10-60 headset. Plugs into the dome connector.
P/N 11-05949..... ---

18 CONDUCTOR COIL CORD

This aircraft grade 18 conductor coil cord is tested to the latest FAA Flame standards (14 CFR Part 25.869 (a)(4) Amdt 25-113 Appendix F Part I (a) (3)). It features 22 AWG conductors of different colors for easy identification. It is designed to extend and contract as needed to allow full range movement of the control wheel.
P/N 11-20072..... ---

GA TO LEMO ADAPTER

Got Your Six GA to Lemo Adapter for David Clark Bose and Lightspeed. Adapts your GA fixed wing dual-plug headset to a LEMO connector for General Aviation Airplanes.
P/N 11-19706..... ---
