QUICK ANGLE - MEASURING ANGLES AND PITCHES

A multi-functional revolutionary new tool for measuring angles and pitches. It's rare to find one tool that will accomplish so much (miter cuts for one and duplications for another). Use this one-in-all tool to compliment and enhance your tool box.....P/N 12-02458

GRYPHON GRYPMAT PLUS NON-SLIP ANTI-STATIC TOOL MAT

The Grypmat is created by a U.S. Air Force veteran and is the inspired solution to problems he encountered as a mechanic working on the air crafts day after day. Revolutionize your workflow with the Grypmat! Working on cars, aircraft, motorcycles, boats, heavy machines, or doing projects around the house- a Grypmat is the DIY-er and mechanic's best friend and the perfect holiday gift idea. Get a GRYP today.

The Grypmat PLUS's bright color options help you stay organized and lets you easily see your tools, hammers, wrenches, sockets, drill bits, nuts, bolts, and whatever else you might be working with and provides a visual management system. With Grip ability, the GRYPMAT can grip to any surface up to a 70 degree angle, with NO MAGNETS! Make any space your workspace with a Grypmat- it goes where tool boxes can't and magnetic trays won't!

Heat and Chemical Resistant and Easy to Clean - A little bit of soap and water will make it new again. For tougher messes, you can even use brake cleaner. HEAT and CHEMICAL RESISTANT - The PLUS is heat resistant up to 350cXF, can stand up to chemicals like brake cleaner, gasoline, and engine oil. Plus it's anti-static.

SAFETY CABLE NOSE TOOLS

The unique tensioning/crimping Terminator Tool tensions the cable, crimps the ferrule on the cable, and cuts the cable flush with the ferrule. This tool utilizes the best principals of ergonomic design, user-friendly features, and improved operational durability. It is so user friendly that an entry level technician can learn the Safety Cable installation method in less than 30 minutes. The short length of this tool allows the user to get into

tight places where access is restricted. The ergonomic design comfortably fits the operator's hand. The robust construction and the precise dimensional quality of the tool provide the reliability and repeatability that you are looking for. The tool nose can be rotated 360° for the optimum position of each Safety Cable™ installation while allowing the tool to stay in a comfortable ergonomic position.

7 inch nose tool.....P/N 12-04571

CLAMPTITE TOOLS

4-3/4 INCH STAINLESS STEEL / ALUMINUM TOOL EXTENDS TO 7"

With stainless steel components and an aluminum body, this tool was designed for the outdoors man, fisherman and farmer who would have it around a corrosive environment. The stainless steel components are stronger and you can just toss it in the tool box that is in the truck, boat or tractor. The tool is great for emergencies and tough wire jobs. This is the original marine grade tool.

4 3/4" Long - 7" Fully Extended.....P/N 12-02633

4-3/4 INCH PLATED STEEL / ALUMINUM TOOL EXTENDS TO 7"

Plated steel components with aluminum body. This tool was designed with the mechanic in mind who would have it around grease, oil and a controlled environment (non corrosive). Great for the CV boots, fuel line, thermostat housing, radiator hose and air hose type repairs.

4 3/4" Long - 7" Fully Extended.....P/N 12-02634

4-3/4 INCH STAINLESS STEEL TOOL WITH BRONZE NUT EXTENDS TO 7"

This tool is machined stainless steel with a one piece body and nose and bronze nut. The tool was designed with the detailed craftsman who need a long lasting tool able to hold up to extremely tough wire while clamping, binding and pulling the wire until the job is complete.

4 3/4" Long - 7" Fully Extended.....P/N 12-02632

TOGGLE CLAMPS

Easier to use than regular C-clamps. Quick-release style. Removable rubber pads on each screw.

Gap: 1" 1-1/2" Reach. P/N 12-02863
