GRIP EDGE MASTER RPT HEX & STAR DRIVER SET - 62-PC

Introducing the GRIPEDGE R.P.T. (Rounding Prevention Technology) 62-PC Master Hex & Star Driver Set. The MHST62S – 62-PC Master R.P.T. Hex & Star Driver Set is a cutting-edge toolset designed to replace standard hex tools with advanced Rounding Prevention Technology (RPT). This set includes Hex,

Star, Tamper Proof Star, and E-Star hex bit sockets, all engineered to prevent the rounding of hex fasteners and effectively remove even the most compromised fasteners. P/N 12-06645

GRIP EDGE 132-PC RPT MULTI-BIT DRIVER SET

• Patented and unique bi-directional design enables loosening & tightening of new and damaged fasteners • R.P.T. Technology is designed to prevent rounding of new and compromised fasteners • R.P.T.

Technology provides up to 50% more torque on NEW fasteners • R.P.T. Technology provides up to 400% more torque on damaged fasteners • Bits are precision machined from S2 steel for increased strength and durability • Bits have laser etched size markings for easy identification
